

After all our efforts, the indulgence of Your Excellency and the Legislature will have to be extended to defects, to which all human exertions are liable ; and with every confidence that a candid consideration will be given wherever such may appear, we have the honor to subscribe ourselves,

Your Excellency's most obedient servants,

W. B. KINNEAR, *Solicitor General.*

J. W. CHANDLER.

CHARLES FISHER.

*Fredericton, 22nd March, 1853.*
