

proves how unfounded were the doubts expressed by Her Majesty's Government as to our ability to procure the fulfilment of our promises, and should remove that ground of objection to the adoption of our proposal.

We have, &c.,
(Signed) THE NEWFOUNDLAND DELEGATES.

Enclosure in No. 12.

The following is the resolution adopted by both branches of the Legislature:—

Resolved—That this Legislature will adopt such legislation as may be necessary to carry into effect the proposals made to the Imperial Government and Parliament by the Delegates.
