For Easier Tree Planting

A few inexpensive sticks of C.X.L. Stumping Powder make short work of the largest tree planting job. Not only does it save time and the expense of extra help but the trees are more sure to take root and grow more quickly. C.X.L. is the safe, sure and economical way to eliminate the old-time, laborious hand planting. Equally efficient for clearing.

Our nearest branch will send you without obligation any information you require.
