

STOP THE PRESS!
\$49 one way on Eastern Provincial
Jet flights including Montreal or Toronto!

You can go home again...

If you're travelling home for Christmas, Eastern Provincial's Air Maritime has incredible new Stand-by Fares that, in some cases, are even cheaper than the bus.

Maritimes \$35 one way!

Travel between any two Air Maritime cities in the maritime provinces for a Stand-by Fare of just \$35 one way.

Newfoundland \$40 one way!

Between any two points in Newfoundland: \$40 one way.

These new low fares for Atlantic Canadians from the Airline of Atlantic Canada are one more reason to support Eastern Provincial and Air Maritime.
