

Winter Carnaval

Something for everyone

By LYNN SLOTKIN

York Winter Carnaval, the five-day extravaganza, kicks off on February 23, and as the saying goes, there's something for everyone.

Concerts

Almost every kind of concert will be presented. Semi-classical music, jazz and folk will be performed in the colleges mainly, a giant concert with Edward, Harding and George, Perth County Conspiracy, Robert Charlebois and Chilliwack, will take place in Tait Mackenzie, on Saturday at 8:00 sharp.

Pubs

The pubs will be open offering their own kind of entertainment.

Huron and Washington perform in the Green Bush Inn on Wednesday; the Rugged Club sings in the Stong Cafeteria Pub; Marv Zeltsman and Judy and Mark perform in the Absinthe Pub, Winters, also on Wednesday night.

Joso, a well-known Toronto folk singer, will perform in the Stong Coffee Shop on Friday and Dave Bradstreet will be in Vanier Coffee Shop on Saturday.

There are many more singers, etc. performing but these are just a few of the acts to look forward to.

Films

Some colleges such as Winters and Vanier will be showing film shorts. There will be block-buster showings of film such as, Kes, My Fair Lady in Curtis Lecture Hall on Friday and Saturday night, presented by Winters College and Blow-Up, Andromeda Strain, John And Mary and Hieronymus Merkin, presented in Curtis on Saturday night by the Glendon Liberal Movies.

Exhibits

There will be an art exhibit of Douglas Morton's work in the Art Gallery. Labatts will display a racing car simulator in the Excalibur front offices in Central Square.

A Hot Air Balloon will be on display (if the wind is below 10 mph) in front of Vanier Residence. The Millbank company will have an exhibition in Sundial Square featuring a large display of artifacts from the Royal Ontario Museum. There will be a Dome Housing exhibit as well.

The whole five-day event costs \$4.00. A lot of time and effort has gone into organizing this carnival into the best one yet. But all the time, effort and money goes for nothing if you, the student, don't take part. This carnival is for you, have fun!

Doug Chamberlain, Connie Martin and Keith Hampshire of Oops!

Oops!! it's marvellous

By LYNN SLOTKIN

Oops! is a polished, tight, marvelous new revue that has just opened at the Theatre In The Dell. The show written by David Warrack, is a pot-pourri of songs and skits about the fads, fashions and foibles that make ordinary living extraordinary.

Some of the subjects covered were, the awful business of giving a urine sample, saving the streetcar, common embarrassing moments, and true love in old age and they all were perfectly presented by the cast of three.

Doug Chamberlain and Keith Hampshire supplied most of the visual humor and Connie Martin supplied the beauty and rich, deep singing voice. These three together with director Alan Lund presented a slick, flawless production.

How to turn "problem" days into "no problem" days

One simple way is to switch to Tampax tampons. There are so many reasons for trying them.

A doctor developed internally worn Tampax tampons for girls like you. Their gentle three-way expansion gives you dependable protection.

The silken-smooth container-applicator makes them easy and comfortable to insert. And both the applicator and tampon may be flushed away.

Best of all, Tampax tampons really do help you forget about "problem days."

Little big car Big little car

Peugeot 504 is truly a big car in every way but size. Big car ride with complete four-wheel independent suspension, four huge power disc brakes and Michelin XAS radial ply steel belted tires

The large luxurious deep padded interior is as large as most limousines. Yet, all this is conveniently packaged in a small sized sleek body.

And our big little car, the all new Peugeot 304, four door sedan or five door

wagonette, is the aristocrat of compact cars. Extra long wheelbase for big car ride, four-wheel independent suspension, radial ply tires, deep padded, fully reclining soft vinyl seats, huge trunk space, with gutsy front wheel drive and sporty four-on-the-floor, fully synchronized transmission.
