

Saddle Lake P.O.

Also
4th April 9

198

I have the honour to inform you that Mr. H. C. Miller, has applied for one month leave of absence, when his service can best be spared, which will be, so far as this Agency is concerned, about the month of June, and that I have forwarded his application to The Indian Commissioner.

In connection I would point out that Mr. Miller's services are engaged for Onion Lake Agency as well as this and that while quarters are provided for him at Onion Lake, he has to live with Mr. Thomas Tomkins while at Whitefish Lake Reserve of this Agency where the grist mill is situated.

Mr. Miller intends to get married while he is absent and as his services have heretofore been mostly required at Whitefish Lake I would recommend that a Miller's house be erected in the neighbourhood of the mill at Whitefish Lake.

The Secretary
Dept of Indian Affairs
Ottawa
Ont.
