Given Mrs. Hilman

Ottawa 11th Nov. 1925.

Dear Mr. Johnston,-

Many thanks indeed for your note of the 9th inst., enclosing sample of the literature used by Liberal candidates in the Province of Quebec. Our friends in that Province were faced with a most unfair campaign and to so have reduced majorities under these circumstances is an achievement of which they may well be proud.

Yours very truly,

I.R. Johnston, Esq.,
Saguenay, P.Q.
