Dear Senator Meighen:

My heart is too full with the happiness of my visit to Toronto and the kindness which you and Mrs. Meighen and our other Toronto friends showed us to express in words my heartfelt thanks. I am sure you know how I feel.

Mrs. Hunt and I were simply delighted to see how well you and Mrs. Meighen looked and we long for a real visit from you both here in New York.

It was somewhat of a surprise and a considerable pleasure to learn that even the Montreal papers took a kind notice of my address. The "Gazette" yesterday had a beautiful editorial and the "Montreal Star" not only had an editorial but printed the full text of the speech.

I have decided to have the speech reprinted here and will send several hundred copies to you and to Dr. Bruce.

With renewed thanks for your hospitality and the charming manifestation of your friendship and with affectionate regards to you and Mrs. Meighen from Mrs. Hunt and myself, I remain

Faithfully yours,

Lawrence Hunt.
