Ottawa, January 11th, 1932.

Dear Sir:-

This Department has surplus at Perth, N.B.
the following Indian made baskets:-

| | | | | |
|----------|------------------------|------|--------|----------|
| 15 dozen | one peck baskets (new) | cost | \$2.40 | per doz. |
| 199 " | half bushel " | " | 3.00 | " " |
| 19 " | three peck " | " | 5.50 | " " |

These baskets are made of ash, and are strong and durable. I am sending you three samples. If you require more, I can let you have two extra sets.

This Department is prepared to allow the transfer of the above baskets without payment, as per P.C. 1632 dated August 17th, 1923. Of course, the Department accepting these baskets must pay the freight on same. They will be shipped "Freight Collect", and this Department will expect to be reimbursed for the expense in connection with the loading of the baskets on the car at Perth, N.B. This latter expense should be small, as the baskets are stored close to the station.

Yours truly,

F.H. Paget,
Chief Accountant and Purchasing Agent.
