

M

Superintendent, Air Regulations  
(S. J. H. H.)

- 1. Reference your letter of February 17, 1948, regarding the certificate of Airworthiness No. 1027 for the also noted Piper J3-065, CR-NAV; your attention is drawn to item 21 of this certificate. The correct reading should be 250 lbs and not 252 lbs. The appropriate correction has been made at this office.
- 2. May item 21 of the certificate of Airworthiness No. 1027, for Piper J3-065, CR-BUW, be amended to include - Landings and skiplanes.
