

Our Dispensing Department

Is under the direct supervision of the proprietor or a competent graduate of pharmacy, and every prescription written by your doctor should be brought to us. We keep the most complete stock of Pure Drugs and Chemicals and can always fill prescriptions on short notice.

Family Medicines

Prepared from your own recipes receive special attention with us. We either mix them for our customers or supply the ingredients alone. Recognizing the importance attached to the use of Pure Drugs and Chemicals in making up medicine for the sick, we exercise the greatest carefulness in purchasing same, and none but the best manufacturers' goods are kept in stock.

Do Not Spoil Your Cooking

By using inferior extracts. We guarantee all our extracts to be of the best quality and strength. To insure best results from the recipes in this Cook Book use
