### A FEW POINTS TO BE OBSERVED WHEN ORDERING GOODS.

Being Publishers, Manufacturers, and Importers of all kinds of Music, Musical Instruments, and Trimmings for same, everything is produced or purchased at the least possible cost, and all articles are retailed at close net prices, it being possible, in conducting a business of this character, to sell goods for less money than they could be purchased for elsewhere.

We do not misrepresent goods, but tell in plain words what they are, and then guarantee that they will be found as represented.

Our methods have won our immense trade, and fair treatment has retained it.

We honestly endeavour to satisfy every reasonable demand, and have spared neither time nor money to please every customer. The most satisfactory proof to us that we have succeeded is the tremendous growth of our business, which stands without a parallel among the business enterprises of its kind in this country.

We treat our customers in a manner calculated to secure their permanent patronage, and consider that a well satisfied customer is the best advertisement we can have.

We want to do business with you. A trial order will convince you, as it has thousands of others, that we can supply your wants in a satisfactory manner and at lower prices than you can possibly secure elsewhere.

Distance makes no difference. We can serve you at any time and in any place. Our goods go everywhere, and we sell everything in the MUSIC AND MUSICAL INSTRUMENT line. No matter how small your order may be, it will receive the same prompt and careful attention as if it were ever so large.

**WRITING ORDERS.**—When sending orders, always write plainly your **Name, Post Office and Province.** state exact amount of money enclosed, and whether you want goods sent by Express, Freight or Mail. When shipping instructions are not given, we use our best judgment as to the cheapest mode of sending.

Occasionally our customers forget to sign their names to orders and letters. Don't make such a mistake.

**TERMS.**—Money must accompany all orders. It is only a waste of time to order goods unless you send the money. Our SILENT SALESMAN will do about ten men's work. Its transportation from Toronto to you is two cents. Now, a five-cent salesman who does ten men's work can afford to sell cheap; therefore, it is necessary to have the cash with the order.

**HOW TO SEND MONEY.**—We prefer that money be sent us by Post-office Order, Express Money Order, Cash by Express, Bank Draft; but, when impossible to do this, send by Registered Letter. **AVOID SENDING MONEY UNREGISTERED.** Amounts less than \$1 may be enclosed in postage stamps.
