

WINDSOR DAIRY SALT

Swept The Boards At All The Fairs

1911 was a triumph for Windsor Dairy Salt. Practically every prize for butter-making was won by someone who used Windsor Dairy Salt.

Those, who make their living out of their dairies, say that Windsor Dairy is their old standby. They always rely on it because they know it is pure—because it makes the richest, most delicious butter—because they win the prizes and get "Top prices" for their butter—when they use WINDSOR DAIRY SALT.

Run Your Binder with a Cushman Engine

Only two horses required—smooth, even running—no failures to bind—work goes right along.

Horses Simply Draw Machine

The engine does all the work of operating, 4 h. p. Weight under 300 lbs. Speeds to 5 h. p. easily. Automatic throttle governor measures out fuel according to work. The original binder engine and more in use than all others combined. Detach and use for all-purpose farm power. Easy to handle, fits in anywhere. We also build 6-8 and 20 h. p. engines with same high efficiency—engines for all heavy duty. Write for free catalogue.

Something to Think About

Better-Farming Hints

The man who does nothing long enough is sure to come to naught.

People who ride in automobiles fail to see the violets by the roadside.

Every man can see the poetry in the rain when it breaks up a long drought.

Some men don't have to borrow trouble; they just make it in the neighborhood.

The truth, from the mouths of some folks, is stranger than fiction, all right enough.

Young man, set your goal so high that it would make you blush to tell your friends about it.

The way to get a reputation for a thing is to be and do that thing good and hard all the time.

We can all have all the diamonds we want when we are able to appreciate them in the dew-drops.

The big things of the farm are hard to handle where the little things have been long neglected.

Some men seem to go on the principle that it is necessary to do a lot of blowing in order to keep the fires of hope burning.

Only the bald-headed man can sympathize with the horse in fly-time. But a good fly-net, even for neck and ears, and save the wear and tear on the horse.

A Motto:—To succeed nowadays one needs to have good sight to see opportunities, and bad hearing—not to hear the voice of conscience.

Lines on Life

Whines won't win.

Life's the best language.

Prosperity may be a punishment.

Narrow minds do not always travel the narrow way.

Your neighbors' slips are crimes—your own are failings.

In making tracks for heaven don't trample on your fellow-travellers.

The person who says he never minces matters generally manages at the same time to make mince meat of somebody's reputation.

Dearly beloved: The world is made for you. All that has gone before you was that you might be. If you desire wealth, it can be yours. If you desire fame, it can be yours. But you must pay the price. Industry is the only coin acceptable at the gate of success. Our Roosevelts, our Carnegies, our Whitmans, our Edisons have bought there way to Glory by hard labor. It's "the only way." The world and all therein is—that you want—is yours, if you pay the price in the free coin of the realm—industry.—Glen Buck.

"One of the 'greatest' mechanical geniuses of all times"—a world-famed maker of a high priced car so refers to Henry Ford—whose great accomplishment is the Ford car. You'll want the mechanically perfect Ford this season—and to avoid disappointment you should get it now.

"Everybody is driving a Ford"—more than 200,000 in service. New prices—runabout \$675—touring car \$750—town car \$1000—with all equipment, f.o.b. Walkerville, Ont. Get particulars from Ford Motor Company of Canada, Limited, Walkerville, Ontario, Canada.
