LIFT YOUR CORNS OFF WITH FINGERS

Tells How to Loosen a Tender Corn or Callus So It Lifts Out Without Pain.

A noted Cincinnati chemist discovered a new ether compound and called it Freezone, and it now can be had in tiny bottles as here shown for a few cents from any drug store.

You simply apply a few drops of Freezone upon a tender corn or painful callus and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can just lift it off with the fingers.

No pain, not a bit of soreness, either when applying Freezone or afterwards, and it doesn't even irritate the skin.

Hard corns, soft corns, or corns between the toes, also toughened calluses, just shrivel up and lift off so easy. It is wonderful! Seems magical. It works like a charm. Your druggist has Freezone. Ask him!

Box "M," Farmer's Advocate, London, Ont.

Tom Johnson claims that the oldest joke is the one about the Irish soldier who saw a shell coming and made a low bow. The shell missed him and took off the head of the man behind him. "Sure," said Pat, "ye never knew a man to lose anything by being polite."

"But, my dear," said his wife, after he had complained about the food the new cook had brought in. "You know during these terrible times it is absolutely necessary that we make great sacrifices." "Oh, of course, but what I object to is that cook's making hers in the form of a burnt offering."

Mrs. Nexdore—"Professor Adagio called at our house yesterday and my daughter played the piano for him. He just raved over her playing."

Mrs. Pepprey—"How rude! Why couldn't he conceal his feelings the way the rest of us do?"

Fertilize Your Fall Wheat

The Empire is gasping for wheat, and the Government are calling for increased production. Every acre, therefore, must be made to yield its maximum return.

SYDNEY BASIC SLAG

is the ideal fertilizer for wheat, and can be obtained at any station in Ontario for twenty dollars per ton. If you have never used fertilizer, now is the time to start, when big crops are essential. What about taking 20 tons and distributing same among your neighbors? Drop us a line, and our salesman will call and talk the matter over.

Honoring the Brave!

IN THESE days of supreme sacrifice, when men are doing and daring and dying for our national ideals—when even those who stay at home are making undreamed-of efforts for the Empire's welfare—a lasting memorial is sought to perpetuate the memory of those brave men whose answer to the call of duty has meant the surrender of their lives.

In the making of memorial tablets, the Dennis Company brings to the task a wealth of art-knowledge, a store of experience, and a sense of the fitness of things peculiarly valuable when dealing with this delicate subject.
