The Razor Steel, Secret Temper, Cross-cut Saw.

WE take pleasure in offering to the public a saw
manufactured of the finest quality of steel, and
a temper which toughens and refines the steel, gives
a keener cutting edge and holds it longer than by
any process known. A saw to cut fast "must hold
a keen cutting edge."

This secret process of temper is known and used
only by ourselves.

These Saws are elliptic ground thin back, requiring
less set than any Saws now made, perfect taper from
tooth to back.

Now, we ask you, when you go to buy a Saw, to
ask for the Maple Leaf, Razor Steel, Secret Temper
Saw, and if you are told that some other Saw is as
good, ask your merchant to let you take them both
home, and try them, and keep the one you like best.

Silver steel is no longer a guarantee of quality, as
some of the poorest steel made is now branded silver
steel. We have the sole right for the "Razor Steel"

brand.

It does not pay to buy a saw for one dollar less,
and lose 25 cents per day in labor. Your saw must
hold a keen edge to do a large day's work.

Thousands of these Saws are shipped to the United
States and sold at a higher price than the best American
Saws.

GENTLEMEN.—After having used Calcium Carbide Gas by means
of one of your Sunlight Gas Generators, since September, 1898, I am
pleased to say that I have found this system of lighting entirely safe,
satisfactory, as well as economical. My friends from the city, who
visit me, prefer it to gas, even the Auer light or electric.

For country residences it particularly commends itself.

I remain, gentlemen,

Cheese and Butter.

Makers of these articles, in many instances, do
not pay the necessary attention to the quality
of the Salt they use. Some people think
that "Salt is Salt," and it does not matter
where it comes from or who makes it. This
is a great mistake, for it is essential that to
produce the best Butter or Cheese nothing
but the purest Salt should be used. The
number of prizes obtained by users of—

COLEMAN'S OR RICE'S

Dairy Salt

at the various exhibitions is conclusive proof
that these brands of Salt stand unrivalled.
