The Wortman & Ward Co.'s Hay Fork Outfits

have been in the market for upwards
of 25 years and have always been in the
lead. There are many thousands in
use in Canada, and they are known
from the Atlantic to the Pacific as re-
liable in every respect. Hundreds of
them bought 20 to 25 years ago and are
still doing as good service as when first
bought. There are forks that are lower
in price, but if an extra investment of
only a few dollars will secure a rig that
will last a lifetime, the extra expendi-
ture is certainly in the interests of
economy. Agents located in all the
principal towns. Others wanted. Send
for booklet with full particulars to
