

You Say

I want an engine that won't shirk work--that will stand up to the grind day after day without costing me a fortune for repairs, or hiring an expert to keep it going. I want an engine that will do my breaking and plowing deep and cheap--that will draw harrows, discs, drills and binders just as well as horses do and without injuriously packing the soil--that will drive my complete separator continuously, steadily, safely. In short, I want an ALL-PURPOSE FARM TRACTOR--economical in fuel, light in weight, but strong in construction--one that delivers the necessary power for any work. An engine that will always produce maximum results at minimum expense.

We Say

Buy the SELF-STEERING GAS TRACTION ENGINE--the engine that won the Gold Medal at the great Winnipeg Plowing Contest. Its record in every branch of farm work shows it to be the most economical, most reliable, the simplest, most thoroughly constructed of farm tractors. Its magnificent success at the Winnipeg Plowing Contest, the severest tests before the most competent judges in America, proves our claims. And our claims are backed by our guarantee.

They Say

We want you to note carefully what some users say about the

Gas Traction Engine

"We plowed 850 acres this fall. The engine worked perfectly, pulling ten plows in hard ground."

"The first gas engine ever built. It doesn't take three or four experts to run a Gas Traction Engine."

"We threshed 56 days this fall---70000 bushels. The engine ran perfectly."

"The self-steering device is a wonder and is perfect in every way. I wouldn't have an engine without it."

"The engine works to perfection, and is very economical of fuel."

"Is so good I want another just like it."

WHAT WE GUARANTEE

WE NOT ONLY GUARANTEE the horse-power, the material and workmanship, but the amount of fuel it will use per acre, the number of breaking plows it will pull, the stubble plows it will pull and the size separator it will steadily and continuously drive. If you are satisfied with that kind of guarantee write to us today. Get an engine, put it in your field and apply the test.

Send for our book "The Passing of the Horse."

GOSSIP

MANITOBA SHEEP SALES

Geo. Allison, Burnbank, and A. J. Mackay, Macdonald, are at present selecting the sheep that are to be sold at the forthcoming sales at Brandon, Portage la Prairie and Winnipeg. The Sheep Breeders' Association at these sales will offer carefully selected lots of young grade ewes. No purebreds will be sold, the executive of the association being convinced that the average farmer prefers good grades at reasonable prices to purebreds that would necessarily have to sell at higher figures. Also, as many of the purchasers are unlikely to be conversant with the care and management of sheep, the Western range sheep will be better able to rustle for themselves than the more finely-bred purebred animals. The sales will be held on these dates: Brandon, October 18; Portage la Prairie, October 20; Winnipeg, October 22.

NOTICE TO THRESHERS

Section 16 of the Threshers' Lien Act provides that: "A copy of this act, furnished by the king's printer, shall be kept affixed to every threshing machine while being operated anywhere in this province. And it shall be the duty of the person in charge of the operating of such machine to see that this section is observed, and every such person who wilfully neglects such duty shall on summary conviction be liable to a fine not exceeding ten dollars, and persons who wilfully defaces or destroys the copy of this act so affixed to such machine shall on summary conviction be liable to a fine not exceeding ten dollars." Address your application immediately for a copy of this act to James Hooper, king's printer, Winnipeg.

PRAIRIE CHICKEN SEASON

The season opens for prairie chicken and grouse on October 1. It will be necessary for residents of cities, towns and incorporated villages, who intend hunting and have not yet provided themselves with a game bird license, to make application forthwith and obtain a license from the department of agriculture and immigration, Winnipeg, before going to hunt. Non-residents must procure a license from the department of agriculture and immigration, entitling them to hunt, shoot at, kill, wound or destroy any game animals or bird, or any other animal or bird, whether protected by this act or not. Any resident of this
