11 in. Team, Japanese and Dress Trimmings

This Harness represents quality, the true standard of value, and is made throughout of genuine back tanned leather, all parts being exceptionally well made so that for all kinds of heavy teaming we highly recommend it.

BRIDLES—1 inch cheeks, extra strong, spotted face piece, brass mouthpiece.

LINES—Made from selected stock as well as in thickness as it is possible to get; 1 inch wide, full length and weight.

TRACES—Considered the most important part of a harness, are cut extra heavy, from selected trace stock, 1 1/2 inches wide, 6 ft. 4 in. long, with best chains.

BELLYBANDS—Heavy belted, 11 inch.

HAMES—All steel, black, brass ball top, brass line ring, belt style, heavy hame straps.

BREECHING—Heavy, belted seat, 11 inch full length hame, long loop back-up, side straps 1 inch, with snaps, last straps 1 inch, hip straps 1 inch, double's scalloped sides on loop-up, rib straps 1 inch, running to hame through snap on pad.

BREAST STRAPS—Extra heavy, 11 inch, with roller snaps.

TRIMMINGS—Buckles and rings, heavily japanned; brass spitting as illustrated; solid brass breeching buckles, brass hame balls and line rings.

Weight of harness packed for shipment, about 90 pounds.
