THIS Institution differs from other Life Offices, in that the Boxuses from Property are applied on a special system for the Policy-holder's personal benefit and enjoyment during his own lifetime, with the option of large bonus additions to the sum assured. The Policy-holder thus obtains a large reduction of present outlay, or a provision for old age of a most important amount in one cash payment, or a life annuity, without any expense or outlay whatever beyond the ordinary Assu ance Premium for the Sum Assured,, which remains intact for Policy-holders' heirs, or other purposes.
