

“The Clerk’s account for fuel, stationary and other expences of the present Session, with the respective vouchers, which amount to *one hundred and six pounds eight shillings and six pence*.

“They have also perused the following reports from Road-Commissioners, viz.

“James M’Nabb and Thomas Fraser’s report of expenditure of *one hundred and sixty-five pounds* (with the numerous vouchers) in repairing the road from the Nashwalk to Miramichi, and find the chargs to be very reasonable. There appears to be a balance of *twenty-one shillings and two pence* of that appropriation remaining in the hands of Peter Fraser, Esq. until called for.

“William Campbell and James White’s, Jun. report of the expenditure of *twenty-five pounds*, on the road from James White’s to Black River, and find correct vouchers to that amount.

“Isaiah Smith’s report and account of expenditure by him, as one of the Commissioners for surveying and marking the road from Hammond river to Hopewell. It appears by this report that *fifty pounds* has been allotted for that purpose; that he has received *thirty-one pounds* of that money, and has expended *thirty-five shillings* more than that amount.

“He states that Mr. Akerly who appears to be the other Commissioner, has received *nineteen pounds* of the sum allotted, no account or report has been exhibited to us of the expenditure of that sum.

“The above report is respectfully submitted by your Committee.
