PATRIOTIC COMMITTEE

Largely Attended Meeting Held Last Night to Hear Reports re Transport of Volunteers

The meeting of the Patriotic Committe at the C.L.B. Armoury last evening was largely attended. His Excellency the Governor presided.

Secretary Burke read the minutes of the previous meeting which were

adopted.

His Excellency then referred to the embarking of the Newfoundland Regiment, and explained the delay of the Florizel in leaving, which was due to the making of connection with the Canadian Contingent. The transport Committee had arranged for another ship, but she could not connect with the Canadians at that time, and thro' Hon. E. R. Bowring the Florizel had been chartered and though there were but three days to fit her up the work was accomplished satisfactorily. His remarks were enthusiastically applauded.

A Visitor.

Sir Joseph Outerbridge stated he had been informed by Hon. J. Alex. Robinson, that on the arrival of the Newfoundland contingent at Salisbury Plains, they were visited by Rev. Jas. Bell, formerly of the Church of England Cathedral, and a telegram from him said our boys were in splendid condition.

This announcement was greeted with applause.

Mr. J. A. Clift, Secretary of the Nominating Committee, said there was nothing further to add to the report ai land at the corner of Hutching's and ready submitted.

Vote of Thanks.

On motion of His Excellency a unnimous vote of thanks was passed this Committee for the work done.

Mr. A. J. Montgomerie for the Recruiting Committee, submitted his re port, which was adopted.

Dr. Macpherson, for the Camp Medical Staff, verbally reported on the work done. Some of the recruits had been inoculated against typhoid, and had suffered but little from the conse-

Report Adopted.

Capt. Outerbridge, of the Equipment Committee submitted a lengthy report which was adopted. The tents had been returned except those destroyed,

which would be replaced. Hon. E. R. Bowring of the Finance Committee submitted a statement of expenses to date. He suggested that a regimental office be established. The Premier pointed out the Government's position in the matter, which was that they did not want to incur any greater expense than was necessary, but if a further regiment was needed the expense would have to be carried. As regards questions asked by the Musketry Committee, he thought it reasonable that where permissible, men were received and adopted. TEN BILLIONS IS COST OF WAR TO EACH POWER

Says a French Economist Who Has Made a Recent Estimate

AVERAGE EXPENDITUR \$200,000,000 A MONTH

Hostilities Will Absorb Savings of the World and Cripple Progress

Paris, October 23-Paul Leroy-Beaulieu, the French economist, estimates that each of the greater belligerents is spending an average equivalent to \$200,000,000 monthly.

In presenting these figures to the Academy of Moral and Political sidered it probable that would continue for seven months from August 1. Accordingly, the five greater Powers engaged were committed to an expenditure of \$7,000,-000,000. Each of the smaller states, including Japan, will have expenses of from \$600,000,000 to \$800,000,000 to

"One might say that the war will cost the fighting powers roughly, from \$9,000,000,000 to \$10,000,000,000. These figures, which do not take into hostilities, will be met first by the issuance of notes against the accumulated gold in the Government banks; second by the issuance of short-term treasury bonds, to which all governments are having recourse during the war; and, third, by delay-Government House if possible and see ing payment for military necessit-
