LOCAL NEWS ITEMS

COURT OF REVISION.

The court of revision meets on Tuesday next at 2 p.m.

BUILDING PERMITS.

Two building permits were issued this morning in the city engineer's department, they being as follows: Misses McGregor, 54 Chestnut Ave., alterations and addition to dwelling, to be done by Schultz Bros. Ltd., at a cost of \$2000. W. J. Mellen, 225 Brock street, frame garage, to cost \$60, to be erected by the owner.

FOR FIRE SUFFERERS

At a meeting of the Women's Patriotic League held last evening, it was decided to receive contributions of money, clothing or food to be forwarded for the relief of the fire sufferers in the North. The society will look after the shipping. The Women's Patriotic headquarters are situated in the Y. M. C. A. Telephone No. 512.

AT ST. THOMAS.

Pte. P. Maurice of the local Bantam recruiting office left last evening for St. Thomas, as a result of the visit paid by Lt. Walsh to Brantford yesterday. While the work being done in the city is considered highly satisfactory in view of the scarcity of eligibles, it is felt that a better field is offered elsewhere where the Bantam battalion has not yet been active. Pte. Haley remains in charge of the local office.

POLICE COURT

Two drunks who appeared in the police court this morning were allowed to go, as were also Mrs. Derrick, charged with using insulting language to Emily Argent, and Chas. Fray, guilty of a breach of the dog by-law. A charge of conversion preferred against D. Satarian was dismissed.

STANDARD TIME.

It has been decided by the Sydenham street Methodist and Shenstone Memorial Baptist churches of Terrace Hill to revert to standard time

in holding the evening service, which will be accordingly at the hour of 7 p.m. standard time, and 8 p.m. city time. The hours for the morning service remains as before. Wellington street Methodist church will do the same, starting next Sunday.

HYDRO ACCOUNT

The City account with the local hydro electric system for street lighting for the month of July totals \$2,275.50.

BIRTHS IN HOSPITAL

During the month of July, 11 births took place in the Brantford General Hospital. Of these, 6 were female and 5 male.

SOLDIER IN HOSPITAL

For 59 days treatment of a member of the 215th Battalion, the city is indebted \$59.00 to the Brantford General Hospital.

ENLARGING DOORS

In order to facilitate the entrance and egress of the new motor truck, the centre doors at the fire department are being enlarged to-day.

CITY HOSPITAL PATIENTS

There were 28 city patients in the Brantford General Hospital during the month of July, they spending a total of 576 days there, which at 70¢ per day amounts to \$403.20. The time spent by individual patients varied from the full month of 31 days to a period of 5 days.

Social and Personal

The Courier is always pleased to receive items of personal interest. Please send.

Miss Lillian Miller left to-day to spend a few days at Niagara-on-the-Lake.

Little Elva Desand, of St. Catharines, is holidaying with her grandparents, Mr. and Mrs. C. Gress.

BUILD ADDITION TO ST. MARY'S SCHOOL

Four Room School to Be Erected at Cost of \$20,000, Decides Board.

At a meeting of the separate school board, last evening, final arrangements were made for the erection of a four-room addition to St. Mary's school, which will be proceeded with as soon as possible. The general contract has been let to John McGraw and Son, and the heating and plumbing to Charles Taylor. The architect is to be Mr. Lindsay A. Wardell, of Hamilton, who is expected to commence immediately, for an early start will be made. The building is to be erected adjoining St. Mary's school, on the corner of the Grand Trunk Railway, and facing the latter. It is estimated to cost between 20,000 and 21,000.

A "pound party," under the auspices of the House Committee of the Children's Shelter, will be held to-morrow at the Shelter for the relief of the Belgians. The affair will take the form of donating a pound or more of groceries, flour or canned goods, or the equivalent, thereto, in money. Already many contributions have been received, and undoubtedly the citizens of Brantford will help generously in aiding the Belgian sufferers.

HOURS CHANGED FOR WATERING THE CITY LAWS

Secretary Instructed to Get Full Particulars of Cost.

INVESTIGATING CHLORINE PLANT. Terrace Hill and Most of East Ward, 7.30 to 9 p.m.; Rest of City 6-7.30 p.m.

The Board of Water Commissioners met yesterday, there being present His Worship the Mayor, John Fair and A. G. Montgomery. The minutes of the meeting of July 6th were read and confirmed.

The Secretary read the following communications: From the Slingsby Mfg. Co., dated August 2, regarding agreement of December 19, 1904. Statement of water pumped for the month of July. From R. O. Wynne-Roberts, consulting engineer, Toronto, dated July 31. From Alex. Gillespie, July 11, regarding position as engineer in residence at pumping station. Report of boiler inspection insurance company, on state of boilers, which was most satisfactory, dated July 8. From Chipman and Power, regarding matters in connection with pump installation, dated July 17, 22, 24, 26, 27. From City Engineer, dated July 29, regarding extensions on Erie Avenue, between Market and Emile streets. From Provincial Board of Health, dated July 11, 21, and 25, regarding information asked re application chlorine to the water and condition of water. From Dr. Chas. H. Hastings, Medical Health Officer, Toronto, dated July 10, re chlorine and application of same to water supply. All of which were ordered to be received and filed.

It was moved by A. G. Montgomery and seconded by John Fair that the representatives of the local press be allowed to attend the meetings of the Board, if they so desire, as the Commissioners have nothing to conceal from the public. Carried.

It was moved by John Fair, that the Secretary get full particulars regarding liquid chlorine or chlorine gas plant, as to cost of installation, price of material, and report to this Board as soon as information is obtained. Carried.

It was moved by John Fair and seconded by Mayor Bowby, that a pump be installed at the screen house to raise water five feet, and to be pumped into the Hill and gullies for the purpose of increasing the supply by pressure into the filtering grounds. Carried.

Commissioner A. G. Montgomery opposed this resolution on the ground that it should be submitted to the Consulting Engineer and have his opinion before any expenditure was made.

It was moved by John Fair, and seconded by Mayor Bowby, that the lawn watering hours be changed, and the territory divided, owing to the enormous consumption and tremendous tax upon the Works. The division to be as follows:—All that section known as Terrace Hill, north of the Grand Trunk Railway, and that portion of the city east of Clarence St. and south to Colborne St. to water their lawns and gardens by the hours of 7.30 p.m. and 9 p.m. The balance of the city from 6 to 7.30 p.m. (city time). This is in the interest of the public and necessary to conserve the water. The Board ask the consumers to assist them in carrying out this regulation.

Arrested in Wilmington, Del. for an alleged attack upon the life of William S. Horner said he was "only fooling," but was placed under a \$500 peace bond.

Construction Men Active

Unit Will Soon Go Overseas, and Last Call is Issued.

One recruit, in the person of Pte. Mathewson, was sent this morning, by the local recruiting sergeants of No. 1 Construction battalion, to Toronto, to be followed on Saturday by Pte. Richardson. The men will go on almost immediately from Toronto, where the construction battalion is at present encamped, prepared to leave for overseas, as it will do very shortly. It is desired to emphasize the fact that this is the last call which will be issued in this district for this unit, and that all who are contemplating joining it should hesitate no longer. The local recruiting sergeants expect to be recalled almost any day now, being certain that their stay in the city will not last longer than the remainder of the week at the very latest. The Construction battalion is now over strength, and is only recruiting a small number to be carried as reinforcements now.

BILLION DOLLAR CROP EXPECTED

After a thorough canvass of various points throughout Western Canada, Dr. McGill of the Dominion Grain Commission, is quoted in Calgary as saying that Alberta would have a crop as good as last year, that the Dominion would have a billion dollar grain crop and that the grain crop of the three Prairie provinces would be little, if any, behind that of last year.

"The country as a whole never looked better than it does at present," said Dr. McGill. "The weather was made to order, as you might say, and I am of the opinion that this year's harvest will be another wonderful one."

Those who contemplate going West will do well to remember that the most fertile districts in Western Canada are served by the lines of the C.N.R. and that this season they can travel from their home districts to destination Canadian Northern all the way.

Arrangements have been made whereby passengers may travel in comfort. Colonist and lunch counter cars being a feature.

The first of these excursions will be run in August, the date will be announced later.

For further information apply to nearest Canadian Northern Agent, or write to R. L. Fairbairn, General Passenger Agent, 63 King St. E., Toronto.

ADVANCE PARTY OFF TO-MORROW

First of 215th Men Will Leave for Niagara at 8.30 a.m.

REST FOLLOW ON MONDAY.

W. P. L. Will Formally Present Field Kitchen To-morrow Night.

The headquarters of the 215th Battalion to-day presented a scene of the busiest nature possible, owing to the preparations being carried out everywhere for the impending departure of the unit for camp. In the Quartermaster's department, in particular, the work of dismantling is prevalent, and all is bustle and confusion. At 8.32, city time, to-morrow morning the advance party of the battalion, 55 strong, will leave the city, via T. H. and B., under the command of Capt. Ferguson and Lieut. Hall. With them will go a large portion of the battalion's supplies, which are to-day being packed in readiness.

Remainder Go Monday

The hour for the departure of the main body of the battalion has been fixed for 8 o'clock, city time, on Monday morning.

The officers of the 215th are desirous of expressing their thanks for the set of dishes so kindly donated by him to the recruits mess.

Two More Recruits

Two recruits were signed yesterday for the 215th, and several more were looked for this morning, men who were expected to report for attestation. During the week-end the recruiting activities of the battalion will be in no measure relaxed, but rather carried on more vigorously than ever, in a last attempt to reach the even 600 mark before Monday morning. It is expected that the battalion will leave a small party in the city to continue recruiting, although the requisition for this has not yet been received.

Presentation of Field Kitchen

By the Women's Patriotic League, a field kitchen will be formally presented to the 215th to-morrow evening, on the occasion of the celebration of August 4th. This is the second of these articles to be donated to the 215th, and arrangements have been made for the transportation of both in a special flat car, on Saturday morning.

The members of the 215th Battalion have, and the officials of the Band Committee desire to express their thanks to Mr. W. H. Webling, who has donated to the band an equal sum is expended by the Czarina.

The same sum represents the cost of dresses to the wife of M. Poincaré, President of France.

Queen Elena of Italy spends only about \$16,000 a year, while the dress budget of Queen Elizabeth of Belgium does not exceed \$10,000. Her neighbor, Queen Wilhelmina of Holland, dresses still more modestly, and spends on her toilette only a few thousand dollars. But the palm of simplicity belongs to Queen Mary of England, who has all her dresses, with the exception of those used for state occasions, made at home, and

der her own supervision, and with her own co-operation, so that her budget is the lowest of all.

A well tiger is usually not a pleasant individual to handle. Can you imagine then, the difficulty of handling a sick one?

The doctor's experience was a thrilling one. The mate of the tiger was first secured in a side den. A net was then thrown over the tiger, and he was drawn to the door of the cage. Four stout keepers held the feet of the struggling animal, while the professor cut away the diseased claw.

The suffering beast furiously but vainly tried to get at him during the operation, but the rage of the tigress looking on through the bars of the side den was much more terrible to behold. She roared and violently threw herself against the barriers in her mad desire to go to the rescue of her mate.

The heels are very dressy—so much so in fact that the conservative woman "keeps her head" and gold, or silver flange, which shows her heels of plain satin or the satin heel through its tracery. Of course, the slipper buckle too.

ALDERMAN WARD EXPLAINS ERIE AVENUE PAVING

Board of Works Sanctioned What Has Been Done, He Claims.

Ald. Ward, who returned to the city to-day after a short absence, had this to say in reference to the Erie Avenue paving matter.

"In stating, as I am," informed, that no one had been consulted in the commencement of this work, Mayor Bowby is guilty of an absolute untruth. At a special meeting of the Board of Works, held the week before last, this matter was taken up and discussed. The Streets' Overseer made the statement at the time that he was prepared to commence the work the week following. To this there was absolutely no dissent.

The Mayor stated the question of the transfer of the Erie Avenue strip from the Massey-Harris Co. had been practically settled, and as to the position of the Street Railway Commissioners, he further stated that the Board of Works had to do was to proceed with the work, whether the Commissioners liked it or not, and charge it up to them.

Over three months ago when the city council, by resolution, decided to undertake the first section of the work, from the tall race to Emily street, provided the same could be financed. City Engineer Jones took the matter up with the City Treasurer, and found that as far as finances were concerned the work could be proceeded with. This important point being settled, it was only a question with the board of works as to when the work should be commenced. By a resolution passed at the last regular meeting of the council, the second section of the work, and this section only, was referred to the finance committee.

Mayor Bowby, with his utter disregard for the rights of the people, has sought the construction of the Erie Ave. pavement from the very start, and is apparently leaving no stone unturned to have his object accomplished.

COMING EVENTS

HOUSE COMMITTEE of Children's Shelter announce Pound Party for Belgian Relief, afternoon August 4th. Flour, groceries and canned goods needed. Everyone can contribute one pound.

THE RED CROSS Subscription for August are now due, and it is hoped the subscribers will deposit their envelopes before Aug. 5th at any of the following places:—Peachey's, Eagle Place; Morrison's, West Brantford; Willis's, Holmdel; Imperial Bank, Brantford.

THE PROBS

Toronto, Aug. 3.—Rain has fallen heavily again in many parts of Saskatchewan, while a few light scattered showers have occurred in Alberta and Ontario.

To-day and on Friday, moderate south to southwest winds; some local showers or thunderstorms, but generally fair and warm.

CARD OF THANKS

The family of the late Mrs. Strong wish to thank their many friends for kindness and sympathy shown in their recent bereavement.

ODD and INTERESTING FACTS

Queen Victoria of Spain easily takes the first place as the best dressed royal lady. She obtains all her dresses from Paris, and has to pay over to the great firms of the Rue de la Paix a sum of no less than \$40,000 a year. The German Empress has all her dresses made in Berlin at a cost not far below \$500. An equal sum is expended by the Czarina. The same sum represents the cost of dresses to the wife of M. Poincaré, President of France.

Queen Elena of Italy spends only about \$16,000 a year, while the dress budget of Queen Elizabeth of Belgium does not exceed \$10,000. Her neighbor, Queen Wilhelmina of Holland, dresses still more modestly, and spends on her toilette only a few thousand dollars. But the palm of simplicity belongs to Queen Mary of England, who has all her dresses, with the exception of those used for state occasions, made at home, and

der her own supervision, and with her own co-operation, so that her budget is the lowest of all.

A well tiger is usually not a pleasant individual to handle. Can you imagine then, the difficulty of handling a sick one?

The doctor's experience was a thrilling one. The mate of the tiger was first secured in a side den. A net was then thrown over the tiger, and he was drawn to the door of the cage. Four stout keepers held the feet of the struggling animal, while the professor cut away the diseased claw.

The suffering beast furiously but vainly tried to get at him during the operation, but the rage of the tigress looking on through the bars of the side den was much more terrible to behold. She roared and violently threw herself against the barriers in her mad desire to go to the rescue of her mate.

Heels of the Exquisite Lady

My lady's heels are now quite as important to look after as her head, for, on formal occasions, Dame Fashion decrees that they appear not simply satiny clad but jeweled.

The decorative skeletons may be had at almost any price above \$10, and soar according to the quality of black suede, are used for mourning jewelry used in the setting. For instance there are silver with rhinestones; gun metal with jet gold stoned; and the plain tative woman "keeps her head" and gold, or silver flange, which shows her heels of plain satin or the satin heel through its tracery. Of course, the slipper buckle too.

The heels are very dressy—so much so in fact that the conservative woman "keeps her head" and gold, or silver flange, which shows her heels of plain satin or the satin heel through its tracery. Of course, the slipper buckle too.
