ST. PIERRE, MIO., June 16th. The French fishing fleet from this port are returning from the Banks with splendid trips of fish, and although very late in arriving from France, anticipate a good general harvest.

The second bait supply (Caplin) is very scarce so far and the vessels are in consequence delayed from proceeding on the second fishery.

A Ball is to be given at the Government House on Thursday next. Weather has been very cold and disagreeable hitherto, and only to-day have we had a glimpse of our too brief summer.

Hay and Oats reported exceedingly scarce throughout Newfoundland. Last accounts Oats were selling from between 80 cents to a dollar per bushel.

The portfolio of Minister of Justice has been tendered to Hon. A. J. Smith, at present acting temporarily in that capacity. Mr. Smith will probably intimate his decision to the Privy Council to-morrow. Owing to the feeling of the Lower Province members that the Department of Marine and Fisheries shall be filled by one of their representatives, it is likely Mr. Smith will decline the honor. In that case Mr. Fournier will be sworn in as Minister of Justice, and Mr. Goffin will succeed him as Minister of Inland Revenue.

Work will be commenced immediately on the Pembina branch of the Pacific Railway.

LONDON, June 13. Lord Kensington, a Liberal, has been returned to the House of Commons from the borough of Havering.

Durham city has returned Herschel Mounck, a Liberal, to the Commons. In the House of Commons, Mr. Gladstone asked leave to present a petition to Parliament, signed by 860,000 laborers, asking for the assimilation of county and borough franchise.

Placeards and advertisements are out offering a reward for discovery of the missing Earl of Yarborough.

The difference between the Khedive of Egypt and the Sultan-Porte are serious, and it is feared that grave complications in the East are probable.

The Governments of Germany, Servia, and Rottmania have confidentially informed other European powers that they have concluded an agreement to mutually protect their interests and positions against the designs of Turkey.

The French Assembly yesterday, 381 to 237, adopted an amendment to the Municipal Electoral Bill fixing the age of electors at twenty-one instead of twenty-five, defeating the government on a vital provision of the Bill.

The feeling against Bonapartism in the Assembly is very bitter, so much so that the Deputies in their passage from Versailles to Paris had to be protected by a strong guard. There is a general uneasiness over the quarrel.

25 Battalions of Cossacks with 12 guns are posted between Estella and Arga Valley, awaiting the Republicans who are advancing from Tafalla.

Cambridge University has conferred the degree of Doctor of Laws on James Russell, Lowell, Boston, Mass. At Newark, the race of the day was two miles, dash won by "Benjamin" time 2:12. The fifth race was a trot, one mile, dash, won by "Cattaraugus Chief" time 2:35.

Great excitement prevails in Russian financial circles, owing to the discovery of defalcations amounting to 2,000,000 roubles, in the administration of the Moscow Railway.

New York, June 11. A boat containing three Cuban insurgent chiefs, one of whom is named Balancourt, has been captured and taken into Neuviatas.
