

DOMINION ELECTIONS

ARE OVER AND WE HOPE YOUR MAN GOT ELECTED

A more important matter with us is how can we sell \$12,000.00 worth of goods between now and July 15th. We think we can do it only by cutting the prices, and this we have done. We have a grand stock of

DRY GOODS AND CLOTHING

amounting to about \$30,000.00. We find this too much at this season and we have decided to cut the prices in two and see how much we can reduce our stock between now and July 15th.

There is always a rush at a sale of this kind, and we would advise intending purchasers to come while the assortment is complete.

Another Great Triumph.

THE BOWMANVILLE NEWS INTERVIEWS MR. JOHN HAWKENS.

And is Given Particulars From a Nine Months' Struggle From Asthma, From Which He Has Been Restored to Health When His Case Was Looked On as Hopeless.

From the News, Bowmanville.

During the past five years the Dr. Williams' Pink Pills have developed into a household word, and from several cases that have come under our personal observation, there is not the least doubt in our minds but that they are a boon to mankind, and in scores of instances have saved life, when everything else had failed. The cure of Mr. Sharp, whose case we published some time ago, was one of the most remarkable that we have heard of. To-day he is as well as ever he was in his life, and is daily knocking about in all weathers attending to his farm duties. Recently another triumph for Pink Pills came under our observation, and, after interviewing the person cured, he gave permission to make the facts public, and we will give the story in his own words. Mr. John Hawken, who re-

sides in the township of Darlington, some ten miles north of Bowmanville and whose post office is Enniskillen, came to the county from Cornwall, England, some 45 years ago, and up to the time of his sickness has always been a hard working man. One day, however, while attending his work, he got wet, took a chill and a severe cold followed, and finally developed into asthma. During the succeeding nine years he was a terrible sufferer from it, and he could not work, frequently spent sleepless nights, and had little or no appetite. Finally he could scarcely walk across the room without panting for breath, and would sit all day with his elbows resting on his knees—the only position which seemed to give him ease, and at one time he never laid down for six weeks. As it was a hardship for him to talk, all he asked was to be let alone. During this time he had been doctoring and had tried nearly everything, and spent over \$100, but got no relief. Finally some one recommended him to take Pink Pills. He thought they could do no harm at any rate, and securing a supply he commenced taking them. After he had taken three boxes he found that he was improving, and after taking two more boxes, to the astonishment of all, he walked across the fields to the woods and cut up a cord of wood. He continued the pills and took two more boxes, making seven in all, and today he is as well as ever.

he was, but always keeps a box of Pink Pills in the house. The neighbors all began to ask him what he had done, as the asthma had left him, and they never expected to hear of him being well again. To one and all he tells that it was Pink Pills that did it, and has recommended them to scores of people since his recovery.

With such wonderful cures as these occurring in all parts of the Dominion it is no wonder that Dr. Williams' Pink Pills have achieved a greater reputation than any other known medicine. All that is asked for them is a fair trial and the results are rarely disappointing.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, rheumatism, erysipelas, scrofulous troubles, etc. these Pills are superior to all other treatments. They are also a specific for the troubles which mark the lives of so many women—a burden of health to pale and sallow cheeks. Men broken down by overwork, worry or excess, will find in Pink Pills a certain cure. Sold by all dealers or sent by mail postpaid, at 50c a box or six boxes for \$2.50, by address Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y. Beware of imitations and substitutes alleged to be "just as good."

A few days ago as the train of the Grand Trunk railway was crossing the down train at Methu's Mills, Que., a fine red deer made its appearance on the track between the two trains and was perceived by two of the railway employees. An exciting chase followed, and the deer was caught alive. It was sold to an American for \$10.

Three True Friends

Who Keep Every Promise—Rheumatism Banished; Kidney Disease Taken Wings; Pricked Indigestion Brought Down—The Great South American Remedy.

We can get at the heart of this matter by letting other people tell the truth of what these wonderful South American Remedies can do, and have done. John Marshall, of Varney, county of Grey, suffered as only those who can suffer who have been troubled with sciatica. A relative suggested that he try South American Rheumatism Cure which promised so much. He took three boxes of three days he was able to walk a distance of nearly 4 miles to Durham for the purpose of procuring another bottle of this remedy. He continued its use, and to-day he testifies that he knows nothing more of the troubles of this painful phase of rheumatism.

Some disease consists of the gathering of solid and hardened substances in the system. The troubles cannot be permanently removed, except as these particles are dissolved. A powder or pill will not do this. South American Kidney Cure possesses the particular elements which get at the seat of the disease. John G. Nickel, one of our best John farmers in Wallace township, suffered from kidney complaint, carrying with it awful pains. Nothing did him any good, until he tried South American Kidney Cure. His words are: "After taking only two doses the

pain was entirely gone, and I have never been bothered with it since. I feel as well as I ever did. Let any one write me to Shipley Post Office and I will gladly give them particulars of my case."

If the world looks blue to anyone it is the desperate. For ten years David Reid, Chesley, Ont., suffered much from liver complaint and despondency. He says—"At times my liver was so tender I could not bear it pressed or touched from the outside. I tried a great many remedies without any benefit; was compelled to drop my work, and as a final resort was influenced to try South American Nervine. Before I had taken half a bottle I was able to go to work again. Sold by J. P. Lamb & Son.

PLUM HOLLOW.

MONDAY, June 15.—The reporter has been asleep for the past while back, but is now ready to give the news.

The crops in this part of the country are looking splendid. Hoeing is now the order of the day.

Miss Aggie Knapp entertained a few of her friends last week, and the evening passed very pleasantly.

Sunday school is progressing favorably, both at the Baptist church and Sheldon's school.

Miss Edith Grant, of Cornwall, is visiting at J. E. Knapp's.

Mr. Joseph Gardner, of Smith's Falls, paid the Hollow a flying visit on Sunday last.

HAD HE KNOWN.

With Dr. Agnew's Cure for the Heart at Hand, Death from Heart Disease is Impossible.

Wonders of this World-famed Physician's Cathartic Powder.

Success has followed all of Dr. Agnew's specifics. With all the emphasis possible, this is the case with his Cure for the Heart. Its effectiveness is marvellous. The very paroxysms of death have been averted, and he has seized the patient, and yet relief is secured by the taking of a single dose, and the continuation of the use of the remedy soon cures the worst case of heart disease. George Giles, custom officer, Cornwall, Ont., says—"I was troubled with severe heart complaint for several years. The slightest exertion fatigued me. I was under doctor's care for over six months, being unable to attend to my business. No relief came to me, and it was only after I had scarcely dared to hope for cure that I used Dr. Agnew's Cure for the Heart, and in a comparatively short time it removed the disease altogether."

With careful, innate conservatism yet recognizing its benefits, the Rev. John Scott, D. D., Presbyterian minister of Hamilton, is only one of the leading clergymen of Canada who have used Dr. Agnew's Cathartic Powder, has freely testified over his own signature as to its unquestioned benefits. It may be only a cold in the head, or the case may be a more aggravated phase of catarrh, that has baffled other remedies, but this simple and pleasant remedy will give relief in 10 minutes, and entirely remove the difficulty. Sample bottle and Blower sent by S. G. Detchem, 44 Church st., Toronto, on receipt of 10c in silver or stamps. Sold by J. P. Lamb & Son.

COUNTY NEWS.

A Budget of News and Gossip. Personal Intelligence—A Little of Everything Well Mixed Up.

ELM GROVE.

TUESDAY, June 16.—The busy times and hard work for the farmer are over for a while. But still they grumble of hard times.

Our picnic on the 13th inst. was well attended. It was a beautiful day for the boys and girls, and all went off as merry as a marriage bell.

Mr. James and Mr. Detrick of Perth were guests of Mr. Archibald Gallagher. Bicycles are all the go now. The Cleveland takes the cake, as Adam is an expert now.

Mr. Henry Gallagher is making a flying visit to friends here. We are glad to see him around here again and looking so well.

Miss Gerie Farham, of Canada West, was visiting friends and relatives in this place for a couple of weeks. She returns home Thursday.

Mrs. Andrew Gallagher, of Perth, is spending a few days with her friends.

TILLEY.

FRIDAY, June 19.—Many of our neighbors are at present very busy picking strawberries.

Miss Mary Nunn, from Brockville, is home on a visit.

Ms Alma Moxley, who for several weeks was very ill, passed away on June 5. As the end drew near, she looked with joy at the home over there. "Here was a hope and faith blooming with eternal life, and she was fully prepared for the change. Though she will be missed by relatives and friends, yet their loss is her certain gain.

One precious to our hearts has gone, The voice we loved is still, The place we loved is still, Can never more be filled, Our Father in his wisdom called, The boon his love had given; And though on earth the body lies, The soul is safe in Heaven.

The death of Mr. J. Moxley, which occurred on June 13, just nine days after his daughter's, is one of which we make record with peculiar sadness. After months of illness and suffering, God thought it wise to call him home. His funeral services were presided on Monday afternoon. Mr. Moxley's family here our sincerest sympathy in this their double bereavement.

WILKESBORO.

MONDAY, June 22.—The spring crops are looking fine, and as a result a plentiful harvest is anticipated. Meadows are improving since the recent shower.

The Wilketown and Elbe Sunday school picnic was held at Charlton on Thursday, 18th. There was a large crowd on the grounds. Dinner was served at an early hour. The little while was engaged for the afternoon. The crowd returned home in good season. Judging from the flying tackle exhibited, there was no money shown the fanny tribe. All were well pleased with the day's outing.

Mr. John Wilke, of Athens, has been overhauling his barn, and has also put up a wind mill.

Mr. Irvin Wilke has improved the

appearance of his residence, now occupied by Peter Ducon, with a coat of paint.

Mrs. A. O. Shaver, of Smith's Falls, arrived here on Saturday evening on a visit to her uncle, Mr. Amasa Kelly.

Mr. Boyer, of Gananoque, has returned home after spending a few days with Mr. D. Parish.

Mr. Herb Rhodes, of Athens, spent Sunday with his uncle, Mr. James Alquist.

The Rev. N. E. Brown is at home visiting his parents for a few days.

Miss Ross Ann Kavanagh is visiting friends at Frankville.

All smiles at Mr. Samuel Rowson's. It's a boy.

UNION VALLEY.

MONDAY, June 22.—Hoing and shoeing hens is the order of the day.

Mr. Sturgeon, of McIntosh Mills, passed through here on his bicycle one day last week.

Messrs. G. Earl and G. Hayes were calling on R. Allingham on Saturday last.

Farmers in this section are planting a lot of corn this season.

Mr. Joseph Male was renewing acquaintance in this place one day last week.

A nice little shower on Saturday.

A great many fields in this section are spotted, owing to the worms.

Mr. Ezra Earl passed through this place on Saturday, en route for we don't know where. Will someone please tell us?

Mr. James Wing is visiting in this place.

Mr. Z. Earl and lady are visiting at the home of his mother, Mr. Oliver Hayes, of this place.

There was a little rain yesterday and the farmers are jubilant.

The grasshoppers are destroying whole fields of barley in this section.

James Wing had the misfortune to sprain his ankle on Saturday last.

Quite a number passed through here on Saturday to attend the holiness convention at Athens.

People are getting ready to attend the election on Tuesday. Hurrah for the hurrah!

ELBE MILLS.

WEDNESDAY, June 18.—Farmers are busy improving the highways.

The frequent showers of late lend fresh encouragement to the agriculturists of this section.

The patent sprayer, which is being introduced into this country for the extermination of the cow fly, seems to be proving a success, which will no doubt result in an improvement in the use of foreign language, with modern account, used by parties who come in too frequent contact with these pests.

The bovine switcheth the busy fly, And litteth the milkmaid in the eye.

The committee in connection with the Elbe cemetery, after several meetings, have been making several improvements on the grounds. Mr. M. M. Pyke, of Ottawa, has erected a splendid monument, of novel architecture, in memory of the late Mrs. Fyke.

The Mission Band met at the residence of Mrs. Wm. Towris, where a very profitable as well as pleasant evening was spent.

Miss Aster Bates, of this place, left a few days ago to visit friends in Watertown, where she will take an active part in one of those pleasant events which so frequently occur.

The young people of this place and elsewhere spent a very pleasant time at the famous Charlton on Saturday, where they took in the grand sights which nature has so elaborately bestowed, and which only the old post can clearly define. The proprietor of the new boarding house, having been previously initiated, did good service on this occasion.

The Rev. Mr. Hagar preached his farewell sermon in this place on Sunday last. The people of his congregation deeply regret his departure.

Appearances indicate an abundant corn crop this year.

Mr. John Besley wears a broad smile. It's a bicycle built for two.

Miss Ida Bates spent Sunday last in this place.

Checking the Women.

A great point seemed to be gained when the legislature, under the direction of the veteran attorney-general, provided for the admission of women to the practice of law. But that legislation did not go far enough it seems. It referred to the licensing of women to act as solicitors, and when Miss Clara Brett Martin applied for enrollment as a barrister she was refused. The benchers took a narrow and contracted view of the law and refused to give her access to the courts, which one must enter in order to reach the remunerative end of the business. The fight for woman's rights has been a long and discouraging one. But it has reached a stage, in regard to the professions, where the end aimed at has practically been attained. Women have free access to the practice of medicine, and the legislature meant by its last act that they should have no impediment in the practice of law. The benchers have raised one for the time being, but in a few months it will be removed. The next act will be the enfranchisement of women. Then their glory will be complete.—W.V.G.

It is said that one of Brockville's wealthiest citizens who has passed his three score years and ten is to be married this week. The prospective bride is about 50 years his junior.
