About noon the rear half of one of Drayman Badgley's horses sank in the soft mud of one of the sewer connections to the Miles block. The workmen extricated the horse by the exercise of manual strength.

Paper Wm. Johnston, of the 5th Royal Scots Regiment, Montreal, passed through the city yesterday on his way to the Caledonia games at Milwaukee. He carried with him a quantity of the Chatham prize lists for distribution amongst the competitors at Milwaukee and is confident that this will bring many additional entries here. He reports the Montreal contingent as ready to march on and capture Chatham on the 18th of August.

The Wabash R. R. will carry the Sons of England to Niagara Falls Aug. 9th. This is the first excursion from Chatham over this line. The Wabash is noted for its first class accommodation. \$2.45, good to return on all trains Aug. 10th.

HEADACHES CURED WITH GLASSES

It is not generally known that 90 per cent of the headaches existing in the people of the present generation is caused by errors of refraction in the eyes and that 90 per cent can be cured by wearing lenses.

If you are troubled with headaches, have your eyes examined by us, whether you think the trouble is there or not. We will tell you and charge you nothing for doing so.

ANOTHER VICTORY

This Time the Chatham Cricket-ers Defeat Amherstburg.

Fine Batting and Bowling by some Members of the Home Eleven.

The Chatham cricket club squared accounts with the Amherstburg club yesterday on Tecumseh Park and restored the gloss to their escutcheon tarnished when the two clubs recently met at that town. Chatham played two complete innings, but before time the Amherstburg eleven had not completed their second innings, so the match was decided on the first innings, Chatham winning by 58 runs. Kenny's batting in the first innings was a feature of the game. He put together 41 runs by splendid cricket. P. Miller also did some fine work and he was well set when he was unfortunately run out. Roy Miller was the only other Chathamite to reach double figures, being retired for 15 runs. In the second innings Roy Miller with 18, Percy Miller with 17 and Richards with 11 runs were the highest scores. Stott and Turville were the only batsmen with the visitors who reached double figures. The bowling of Kenny and Aitken were features of Amherstburg's first innings. In the second innings Miller and Atkinson both did some excellent work in this respect.

CIRCULATES EVERYWHERE.

J. J. Cowan, the milkman, hailed the Planet scribe this morning. "Say, I guess everybody in the city must have read that item in the paper about this year," he remarked. "Why, every day parties come out to see it growing. I had to idea that the whole of Chatham and Kent county read the Planet, although I knew it was widely read."

Blown to Atoms.
The old idea that the body sometimes needs a powerful, drastic, purgative pill has been exploded by Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver and bowels to expel all poisonous matter, cleanse the system and absolutely cure Constipation and sick headache. TILBURY MAN DROWNED.
George Brown, of Tilbury, was drowned at Tilsonburg. He and several others were in bathing when Mr. Brown suddenly sank in 16 feet of water. It is supposed he took a cramp and died immediately, as he did not come up after sinking. J. Aspinall, an expert swimmer, was quickly sent for, and diving to the bottom of the lake, brought the body up, but life was extinct. Much sympathy is felt for his wife and two small children.
