Big Wigs Big Foos. London, Oct. 24.—(C.A.P.)—Araold White, in an article in The Sunday Sun on "The Appetite for Big Fees," says Attorney-General Finlay spoke for seven days in the Alaska arbitration, thus receiving £700 a day for a speech which failed to strengthen or sustain the just rights of Canada. For one speech, Sir Edward Carson received £2,783. Our law officers are received £2,733. Our law officers are eloquent persons, but Canadian jurists hold they were not worth the money received, because the Alaska case was not prepared by them, but by the Canadian counsel, as the latter were the best qualified. Sir Robert Finlay's role in the Alaska arbitration was a political one. He pleased his Government, who wished to please the United States. please the United States.

"I procured one fifty cent box of Pyramid Pile Cure of my druggist, with the intention of buying a larger box later, but was happily surprised when I found that I was cured, and still have six pyramids, left over of the first and only box. I have not had the least sign of piles since I used this one box, which has been about two months; previous to using Pyramid Pile Cure I had the worst kind of bleeding piles and protruding piles for over thirty one years, and no one knows, except those who have had piles, the pain and misery I suffered.
