You owe yourself an Overcoat that's right—the Overcoat that's right owes you proper protection and wear.

But you will not find that 'right kind' of Overcoat everywhere.

You'll certainly not find it, if you shop at random.

If you patronize most any kind of a Clothing Store most anywhere.

If you jump at the first reduced price advertised

If you rush into a store and rush out.

If you jump at the first reduced price advertised
If you rush into a store and rush out, buying the first Coat shown you.
To procure that "right kind" of Overcoat you must go to the right store—the kind of a store that confines its advertising to facts and invites investigation and comparison.
If you will consider these points, we believe that you will leave your Overcoat money here.
Our Overcoat price range is from \$5.00 to \$20.00 and your money goes back, if the Coat goes wrong—but it won't.
