life is real! Life is earnest!
And the grave is not the goal!
If we advertise well and wisely
We will get there heart and soul.

Not enjoyment, and not sorrow, Is our destined end or way; Advertize that each to-morrow Finds us richer than to-day. In the world's broad field of battle, In the bivouac of life, Be not like dumb driven cattle! Be a leader in the strife.

Trust no future howe'er pleasant! Let the dead past bury its dead, Advertise in the living present! In that way you'll forge ahead.

Lives of great men all remind us
We can reach the pole in time.
If we advertize correctly
Gain a business height sublime.

Let us then be up and hustling. With a heart for any fate; Advertising and still booming, Let the other fellows wait.
