PEOPLE'S TRIBUTE TO MARSHAL HAIG

Fund is Already Established For The Purpose of Purchasing And Presenting to Him, His Ancestral Family Seat.

London, Dec. 30.-The formation of the Bemersyde Fund, with the object of presenting the estate of Bermersyde to Field Marshal Earl Haig, as a people's tribute to his successful leadership of the British army during the war, has created the greatest interest throughout the United Kingdom. Among the early ontributions was a cheque for £500 rom a resident of Abbeywood, on the one hand, and a postal order for one shilling from an ex-soldier on the other.

The ex-service man appeals to all his comrades to show their appreciation of Field Marshal Haig by sening the hearing of the reserved case ding their mites.

"His lack of brass hat egotism, his grim tenacity, his confidence in the ordinary Tommy and his great sym; pathy for the disabled, as well as his keen interest in demobilized men's welfare, all appeal with great force,' writes the ex-service man. "Here is a fine chance," he added, "for us ex-service men to do our bit."

Subscriptions will be received by every bank throughout the kingdom and the name, address and amount given by every person are to be inscribed on a presentation scroll, to be presented to the Field marshal.

MACBETH A LIBEL **ON SCOTS RACE**

cottish Veterans of The War De mand Its Elimination From School Text Books.

New York, Dec. 30.-A resoluon demanding the elimination of Shakespeare's 'Macbeth' from school urricula on the ground that it was Macbeth as a traitor and murderer, was adopted here last night by the League of Scottish Veterans of the World War. The resolution was addressed to the Newark, N. J., board of education, which recently barred the "Merchant of Venice" from the schools, because of the alleged slan-

der of the Jewish race. "If they have banned Shylock, see no reason why they should not ban Macbeth," said Captain McTavish who moved the resolution. "If the Jewish garbardine is to be cleared they should also remove the train from the Scottish kilt" he added.

Get yourself a Block of Good Oil Stock-Something that will Pay Big Dividends almost from the start, and give you a chance for a FORTUNE. Thousands have done this very thing, WHY NOT YOU?

We can sell you Stock in any of the Companies operating in the Fraser Field. But recommend especially "NATIONAL OIL."

Drilling starts in a few days on one of the BEST LOCATIONS in the Field. Buildings and Derrick are all finished. Machinery is being installed and soon the Drill will be driving for the LIQUID GOLD. We are sure of Oil, The experts say it will be a Big Gusher. Buy this Stock.

10c. PER SHARE

When Oil is struck in any part of the Field, National stock will go soaring, as the Company has many locations close to all the Wells drilling or proposed-in all over 2,000 acres,

In addition the Company owns large acreage in Texas, Graham Island, Peace River and Alaska, so that it will make good even should the Fraser be a rank failure. But it wont. There is Oil there; oceans of it. GET

In the great Homer Field, Louisiana, last week, we offered Homer Consolidated. The Stock was oversubscribed \$40,000, and is at a big premium now. Bull-Bayou Homer has gone up 50 per cent, and the Stock is practically unobtainable. For a short time we can offer a Block of Stock in SERVICE OIL CORPORATION, by long odds the BEST now open in the entire field. This is a Smith-Porterfield Company, and the best in a long list of successful formations, including Ocean Oil and Refining, which paid 100 per cent in 3 months is paying now 25 per cent. per month, and will pay 100 per cent. or better once the two Wells now drilling come in.

Ranger Central brought in a 5,000 Barrel Well in November, and will pay 100 per cent, in January.

Homer Union, placed on the Market Oct. 1st, was sold out \$600.000 in 10 days, and Stock is now 2 for 1.

SERVICE OIL CORPORATION has better prospers than either of these it has 4 tracts in the Homer Field, every one worth a fortune. It has 6 tracts, 150 acres in Bull-Bayou, any one of which is sufficient for the total capitalization of the Company. It has 500 acres in Union Parish grouped around 3 Big Wells. It has 2,000 acres in Webb and Zapata Counties, Texas. Many Wells drilled and drifling are around these hold-

Contracts are let for 2 Wells in the Homer Field, and 1 Well in Bull-

Bayou, and all of them should be in the Big Stuff in 2 months. Tract No. 1 is only 1200 feet from the Texas Company's 12,000 Barrel

Tract No. 2, in Section 24, is only 1000 feet from a 10,000 Barrel Gusher, and cost a fortune to secure it. Tract No. 3 is about the best Lease in Homer. It is on Section 36 and s only 1500 feet from a 5,000 Barrel Well, and is certain to produce mil-

Tract No. 4 is only a short distance from the Big 30,000 Barrel Gusher—the groutest High Grade Oil Well in the world. About 1500 feet away s the 1000 Barrel Well from a shallow sand. The Big Stuff is deeper.

The 6 Tracts in Bull-Bayou are all Sure Shots-right in the line of Production, and close to Big Producers. I have only a small Block of this and you must ACT SWIFT if you want

it. Smith-Porterfield Issues always go quickly and this is the BIGGEST and SUREST, and the BEST of all their offerings. Get a Block of this Stock and you sure will make a fortune.
