COMMENT.

Some More Arguments.

The other evening there were several fans gathered together at "Dan's" and the topic of conversation was ball players and how they break into fast company. An argument was in progress as to whether the New England League or the New York State League was best for a man who wanted to grade eventually. Dick Tibbits was of the opinion that the New York State League was the best and he referred to Pitcher Leon Ames and Pitcher Waltie of the New York National team as samples of the kind who struck the quick road to fame and that it came via the New York State League. The writer and some others thought that the New England League was a great field for a young player of ability. Tim Murnane, of the Boston Globe, writing for the Cincinnati Enquirer says:—"The most effective of the young pitchers now with the Boston champions is Josslyn, secured from the New Bedford Club, of the New England League. No minor league has anything like as good a record as the New England for turning out great ball players, commencing with Lajoie, Duffy, McCarthy, etc., and now the chances are in favor of McGovern and Josslyn making good in the American League from the jump. Coming from one like Tim Murnane this means something and strengthens the argument of "our side." However we must not forget the Connecticut League. "Hobe" Ferris and Freddie Parent and big George LaChance of the Boston American and Second Baseman Murphy of the Philadelphia Athletics are only some of the Connecticut graduates. At that the Eastern is the League for graduations to the Majors.

BASEBALL.

Tartars to Meet.

Perhaps when the Tartars meet on Thursday evening some one of the boys will have the winners picked for the big leagues which open their seasons on Friday. All the boys will be at the meeting which takes place at the Waverley Hotel.

They Are After Dick.

Dick Tibbits some days ago sent his terms to Manager Steller of the Coatsville (Pa.) Outlaw Club in reply to a letter from him. The terms were pretty steep but Dick is badly needed and yesterday he got a wire telling him to hurry along his uniform measurements.

An Old Maine Player.

Sporting Life in its New England League note says:—"All the papers on the circuit are of the opinion that the player who beats George Boardman out of a job at third base will have to deliver some cracked-jack base ball. Boardman is one of the youngest players in the league and takes the balls wherever they come and may say they land to him." Boardman was with the Lewiston, Me., team when Dick Tibbits and Tommy Howe worked for Manager Fred Doe.

Hard Times for the Outlaws.

These are hard times for the outlaw trisette league teams. First baseman Jack Lash of the Phillies and Pitcher Vic Willis of the Boston Nationals are the only two of the big leaguers sought for to join the outlaw teams and there was no room for either of these men on the Philadelphia teams. Jimmy Sheekard was wise and checked his baggage for Brooklyn when he was slated to play at York, Pa., and "Red" Owens cut out the outlaw racket too. Infielder Hoopes is to play with Toronto and is Infielder Zimmerman. Pat Brisban, the ex-Eastern Leaguer, was slated to play first base for Altoona, Pa., team and Pat is the last to pack up. He'll play once more on the Syracuse Stars in the New York State League. Outfielder Hoffman, last season with Montreal, was talked of as an outlaw for 1905. He'll stay in and play in the West. The friends here of James Tibbits hope to see him decide to stay on the inside with the organized clubs.

A Sporting Life special from Harrisburg, Pa., says:—"Third baseman Connaughton and pitcher Whiting have returned contracts and advance money to the Harrisburg (Pa.) independent club, the latter to go to Mansfield. Shortstop Broderick, who had reported, has since disappeared and the fans believe he is lost to the local team." The Toronto News states that Pitcher Applegate, claimed by the outlaw, has signed with Toronto.

Biliousness and Torpid Liver

Headache and stomach troubles are thoroughly cured by Dr. Chase's Kidney-Liver Pills.

Mr. ROGERS CLANCY, farmer, Chapawane, Bruce County, Ont., states:—"I have used Dr. Chase's Kidney-Liver Pills, and would say that there is no medicine that equals them as a cure for stomach troubles, biliousness, torpid liver and headache. I was troubled a great deal with these ailments before using Dr. Chase's Kidney-Liver Pills, and they have proven wonderfully successful in my case."

"I would not think of being without a box of these pills in the house, and whenever I feel any symptoms of these disorders I take one of these pills, and they set me all right again. I can strongly recommend Dr. Chase's Kidney-Liver Pills for the troubles mentioned above."

"Tip" O'Neill at Milwaukee.

Letters received from "Tip" O'Neill recently state that the Milwaukee team is putting in preliminary practice at Des Moines, Iowa. The team will be at Milwaukee on May 15th to open the season. On Saturday last O'Neill did some first-class work. Out of five times at bat O'Neill rapped out four safe ones. In left field he had two put outs. O'Neill seems to be favorably impressed with his team mates and the management of the team and looks for a successful season.

BOWLING.

Will Help the Game.

The Candie Pin League is going to help the bowling game a whole lot. It is generally about this time of year in the larger cities when the patronage accorded the bowling alleys begins to fall off with the warmer weather. There is, however, every reason to believe that owing to the cool evenings that we have here, the sport will not drop behind very much during the summer season.

Ready for the Ladies.

Proprietor McCaffrey says that as soon as the Legislature prorogues he will close down the Queen Hotel Alleys for a day or two to have them thoroughly cleaned up and some repair work done. The heavy rush of business that the alleys have had for the five weeks make this course necessary. Mr. McCaffrey states that he has received many enquiries regarding the use of the alleys by ladies. He looks forward to having a good many ladies bowling when the alleys are reopened after the repairs and cleaning. Each morning the alleys will be reserved for ladies.

ATHLETICS.

Field Work at U. N. B. Commences.

Field work has commenced at the University and the College athletic field will present a vivid appearance each day now. Fred Squires is track captain for this season and the University is to be congratulated upon having such a capable man for the job. Fred had a reputation as an athlete before he went to U. N. B. and his years of experience will prove a great benefit to him. The material on hand cannot be judged very well as yet as only inside gym work has been done so far except for a couple of days. However Archie Barker, Sandy Thorne, Jack McLeath and most all of the other stars are still at College and the outlook is not discouraging by any means.

HARNESS RACING.

Final Local Outlook.

The doings of the Fredericton Trotting Club Association since the article in THE GLEANER a few days ago have been much talked of and from the interest being taken it looks like a "full house" for the "Whisper" meet- ing at Recorder Collier's office. The situation might be quite properly termed acute. Both sides are bound to win and there you are. No matter how things turn out, whether the syndicate purchases the stock and buys out the Association or whether a manager is appointed, there is one thing about the matter. That one thing is that Harvey McCoy will be in charge of the track. Harvey has some fine plans for the season and the racing game is down to him here. It was his intention to have a training stable at Fort Fairfield, Me., this year, but the local men have made him a proposition which has induced him to stay here and the result is that Harvey will have a training stable running at the local track. Take this along with the fact that Sandy Stewart will be handling Byron Phair's and Hugh Calder's fast ones, Davey Duffy will be driving Montrose Jr. and D. J. S. Sherbrooke training Louise M., and the other fast ones to be kept in shape on the local track and it assures one that there really will be a whole lot doing around that oval this summer. Then one does not want to forget about the two big race meetings on Dominion Day and during the Exhibition.

GOVERNMENT HOUSE.

Continued from page 3.

Evening Session.

After recess Mr. McLatchy introduced a bill to amend the Dahnhouse Incorporation Act. On the ground of urgency it was read a second time. Hon. Mr. Tweedie moved that the bill to authorize the city of Fredericton to issue debentures to pay off the floating debt be referred back to the committee on municipalities. Carried. Hon. Mr. Tweedie introduced a bill to amend the act licensing extra provincial corporations. He said that it arose from the Dominion Government having given a charter to a company to operate at Grand Falls, and provided that no extra Provincial Corporation shall be allowed to hold land in the province without a license from the Government.

N. B. Railway Co. Lands.

Hon. Mr. Tweedie introduced a bill to facilitate the opening up for settlement the lands of the New Brunswick Railway Company. He stated that the Company had received 10,000 acres of land a mile from the province for the building of their railway. In all 20,000 acres were reserved for settlement. The bill was to be read a second time, which were to be sold at a certain price. Several grants were issued without any conditions, although the order in Council authorizing the grants required such conditions. There are tracts of land in Victoria County which are wanted for settlement and the bill is to authorize the government to make arrangements with the Company for the sale of lands for a settlement on confirming their grants.

Hon. Mr. Tweedie introduced a bill to amend the Towns Incorporation Act. He explained that it provides that before the payment of any claim the bill should be examined by the Clerk of the County Court to be taxed and the shall go to the Secretary-Treasurer.

Hon. Mr. Tweedie introduced a bill to amend the Liquor Act. It provides that an appeal may be taken by any person who feels aggrieved by an assessment from the Council to the County valuers. Another provision is with regard to the service of summons when personal service cannot be effected. Also in case of a defendant being arrested who does not give bail he may be kept in the lockup instead of the county jail.

Hon. Mr. Pugsley introduced a bill in regard to the expenses chargeable to Municipalities in preliminary investigation of criminal cases. It provides that before the payment of any claim the bill should be examined by the Clerk of the County Court to be taxed and the shall go to the Secretary-Treasurer.

Act and there were no complaints made by Roadmasters.

Mr. Smith said the Chief Commissioner was in error as difficulties had arisen in Carleton County. In some cases the Act worked unjustly.

Hon. Mr. Pugsley—There will always be enough public spirited men in a district to take the lead in opening up the roads. The Superintendents will select such Roadmasters to act as foremen in repairing the roads in summer.

Hon. Mr. Hill thought sufficient consideration had not been given to the difference in localities. There were some roads which led to important settlements which had practically no inhabitants upon them. He had been in favor last year of some allowance being made for breaking roads in cases of emergency.

Mr. Hazen—We voted last year that a moderate percentage of the sum paid by the people for road taxes should be applied to opening roads in the winter season and we hold this opinion still.

The section was then agreed to by the following vote:

Yeas—Hon. Messrs. Farris, Jones, Tweedie, Pugsley, Sweeney, Lablouis, Messrs. Whitehead, McLatchy, Ryan, Burden, Scovill, Campbell, Robertson, Young, Lantam, Leger, Porier—7.

Nays—Hazen, Grimmer, Clarke, Smith, Glasier, Maxwell, Morrissey—5.

Hon. Mr. Tweedie raised the point that the names should not be taken on a vote when the house was in Committee.

Mr. Hazen agreed with the Premier with regard to the practice although the names had been taken in some previous divisions in Committee. He thought the practice ought to be settled.

Hon. Mr. Hill called the attention of the Chief Commissioner to the road money which was obtained from direct taxes made on wild lands which had been granted. He thought that these amounts should go into the general fund.

Hon. Mr. Pugsley thought the point raised by the member for Charlotte was worthy of consideration and that the Chief Commissioner might look into the matter. The bill was agreed to.

Mr. Robertson presented the petition of George Robertson, President of the Imperial Dry Dock Company, asking that the bill may pass.

The House adjourned at 11 o'clock.
