ORTANT.

e is approaching when every terest of his country at heart. sether our autonomy is to be suran majority or not, whether a y political sine will held the reine ; it behooves those taking a re exerting all their efforts—and stand very dishenorable ones, nuance of the present regime. at this; for this class, after enure of office, will be loath to ts-trifling though they beat some of the Road Oversoers , to leasen the number of vetes inst the Government, have rese who have performed their dishenerable discharge of dusy to public reprobation; and such with the scorn of every person ght of having a voice in muttern nificates for labor performed previous to 1866, have been say, those for the past Summer, rers to a vote, have, in a great withheld especially when the o could impose on good nature out. The amendment to the present Party, will, we hope attention of the New House, tunity to a few blind particant ges of the Franchise. In the ery person who has performed demand his Certificate. The If he refuse, there is a way to some of these cunning officials ir names—and we will deem it err names—and we will deem it let, to publish them if we con-persist in their hitherto selarious

Panentar upon Prince Edward in the Ecaminer Office. is so infimuling and libelling the Colony, for aving it "legislated" into Confedconsent, that he dere not give it a cism and review. Ass road, to England and the neighsoreed, to England and the seign-te bear situation of betrayel. Alon, do such despisable advocacy I Non-sejidyed that that practiced by Mr. and satisface purposes. With the and an officer purposes. With the and an officer per a contain of Mr. Pope's brockers, he is a he deserves, we would sugaponden, "Sugitaries," to gub- you have a contained by the former in pemphist form. Yes, Eq., and the electors of the Tex. Eq., and the electors of the text.

The Many Phenomenal Rather Protestion and the state of the company of the company

visually proceeded with order and regularity, now saked rather warm, David Laird. Eeg., Hon. T. H. Haviland, F. Brecken, Eeq., Hen. Sames Pope, and his brother, Mr. W. H. Pope, taking parts. The result, as we learn, was that Mr. Longworth arose and expressed his representative, have been the conservatives; and sails he had not not wish to oppose a brother member of the Government wish to oppose a brother member of the Government unless the sluctors decidedly insisted upon it. Between the Conservatives; and a sail he had be momentation. Upon this, the Confederates secured the moments as fit for becoming very bointerous, with the varieble intention of getting Mr. Longworth out of the wind and the moment of the more unit of the meeting, and was loudly hisseld by the andience. He was, nevertheless, and a few more rabid Confederates, who were banded with him is no quastret of the road. About 10 cheef with him is no quastret of the road. About 10 cheef with him is no quastret of the road. About 10 cheef work is seen that what the little fittion of Confederates, could not do by numbers, they attempted to perform by noise and road-give and the best constituency of Charlestone, bowever and, ought to be allowed to do at they please if they were only Confederates, and the second that if a man, occe a could not do by numbers, they attempted to perform by noise and road-give the theory of the constituency of Charlestone, bowever and the constituency of Charlestone, however and the second of the constituency of Charlestone, however and constituency to the substance of the constituenc and obnovious to the great body of his constituents, he was presented if they did not indulge him in the advocacy of it, and attempted to elect another in his place.

Mr. Lingworth's indecision rendered the adjournment makes public his firm determination to accept the nominated and the extent of six hundred million at any interest and anti-Confederate principles, are a second candidate, is to be brought forward and nofirm and of reliable anti-Confederate and independent principles.

Mr. Tourelli's mission to Rome relative to the
Bishops has been satisfactorily ended. He will soon
take leave of the Pope and depart.
