POPULATION OF P. E. ISLAND.—The Census of the Population of this Island has just been completed. The general results are, we believe, as follows :—

	Roman Catholics.	All other denominations.	TOTAL.
Queen's County,	12,264	28,650	39,514
Prince County,	10,449	10,920	21,369
King's County.	11,210	8,445	19,755
	35,514	45,984	80,638

Population in 1855, when the last Census was taken 71,490
Increase since 1855, 9,148

In the above statement, the population of the several shire towns is, for the sake of brevity, included in that of the Counties to which they respectively belong. —*Mon.*

THE COMET.—We have endeavoured to obtain some reliable information with which to present our readers, respecting this unlooked for visitor, which has for the past few evenings been a source of wonder and admiration to thousands, but we regret to say without having succeeded. Its appearance seems to have been altogether unexpected, giving rise to the belief among many well informed persons that it is one unknown to astronomers, and has never before visited our sub-lunary sphere. This however, is scarcely possible although it is really extraordinary that with the thousand powerful telescopes which are now nightly directed towards the heavens, it should have so long escaped observation as appears to have been the case. The approach of a comet, especially one of such magnitude as the present, is always a matter of much interest to those accustomed to study the movements of the heavenly bodies, and is almost invariably, well known to the reading public, but in the present instance, every body seems to have been taken by surprise

It is evident from the rapidity with which its distinctness and apparent size have increased, that it is moving with immense velocity, and we are informed by a gentleman who watched its motions on Monday night that it did not, as is usually the case, disappear below the horizon at all. So far as we have learned it was first discernible to the naked eye on Saturday evening, presenting the appearance of a star of the third or fourth magnitude; on Sabbath evening it occupied a space in the heavens as great as that of the comet of 1850. Those who remember how slowly that magnificent meteor appeared in the earth will be able to form some idea of the inconceivable rapidity with which our present visitor must be moving through space.—*Picton Chronicle.*

Holloway's Ointment and Pills.

Bilious affections induced by atmospheric changes, or too liberal diet, should be checked at once, or serious consequences may ensue. When any one finds his ideas less clear than usual, his eyesight dimmed, and his head dizzy, which indispose him for all exercise physical or mental, he may be quite sure that he is in immediate need of some cooling and purifying medicine. Let him send at once for a box of Holloway's Pills, which will free him from his sufferings, and speedily renew his usual healthful feelings. If the bowels be irritable Holloway's Ointment should be rubbed over the stomach and liver every night and morning; it will wonderfully augment the corrective power of the Pills.

Health and Pure Blood are Inseparable.

Recollect that all sickness arises from impurity of the blood and that Jadson's Mountain Herb Pills will so surely find out and cleanse these impurities from the system, that disease cannot exist. So simple and innocent are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases pills are sugar coated because the materials of which they are made are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitutions that they think medicine cannot help them; let not even these despair; incredulity and scepticism is overthrown by a mass of testimony which is truly irresistible. At first the virtues ascribed to these MOUNTAIN HERB PILLS were deemed fabulous. The public had been so often deceived that they could not believe the simple truths advanced by their discoverer. Yet facts undeniable, attested by witnesses of the highest character and respectability, have proved, and are proving each day, the virtues of this "mighty healer." They merit by their miraculous efficacy and power a new era in medicine.

Judson's Mountain Herb Pills are sold by all Dealers in Medicine.

Burnett's Cocoaine.

We are indebted to Joseph Burnett & Co., of Boston, the getters up of this new and really attractive preparation for the hair, and after a thorough trial of it, upon our own caput and the topknots of the ladies, we have no hesitation in expressing our humble conviction that it is the finest hair dressing liquid of which we have any knowledge.—*Norwalk Gazette.*

Sold in Charlottetown, by W. R. Watson, T. DesBrisay, H W. Skinner.

DIPTHERIA.

In Halifax when this disease prevailed for many months, in its most malignant form, the use of Perry Davis's Pain Killer was invariably attended with the most favorable results, when it was used ere the disease had made too much progress to preclude the use of so powerful a stimulant.

PURIFY THE BLOOD.

With corrupt, disordered or vitiated Blood, you must be sick all over. It may burst out in pimples or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out those impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood; such as *Scrofula or Kings Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose, or Erysipelas, Tetter or Salt Rheum, Scald head, Ringworm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases.* Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures the disorders.

AYER'S CHERRY PECTORAL is so universally known to surpass every other remedy for the cure of *Coughs, Colds Influenza Hoarseness Croup Bronchitis Incipient Consumption*, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

AYER'S CATHARTIC PILLS—*for Costiveness, Dyspepsia, Indigestion, Dysentry, Foul Stomach, Jaundice, Headache, Heartburn, Piles, Rheumatism, Dropsy, Worms*, and in short for all the purposes of a purgative medicine.

Prepared by J. C. AYER & Co., Lowell, Mass. and sold by W. R. WATSON, General Agent for P. E. Island.

MRS. WINSLOW,

An experienced nurse and female physician, has a Soothing Syrup for children teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain, and is sure to regulate the bowels. Depend upon it, mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases. See advertisement in another column.

Wister's Balsam of Wild Cherry.

For the cure of *Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchitis, Predisposition to Consumption, &c., &c.*

This great remedy is too well known and is performing too much good to make it necessary to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to health.

Certificate of T. B. BARKER, Esq.,
A well known Druggist.

ST. JOHN, NEW BRUNSWICK, June 6, 1860.

Messrs. SETH W. FOWLE & Co., Boston, Mass.,

Gentlemen—I feel constrained from a motive of justice, to inform you of the results attending the sale of your valuable remedy, DR WISTAR'S BALSAM OF WILD CHERRY. Although I do not feel at liberty to mention the names of parties who have a high appreciation of its worth, I can truly say that for *coughs, colds, and all pulmonary diseases*, this remedy performs cures not excelled, if equalled, by any other remedy known, and I therefore confidentially recommend it to those who suffer from pulmonary difficulty.

Yours respectfully, T. B. BARKER.

☞ *Caution to Purchasers.* The only *genuine Wister's Balsam* has the *written* signature of "I. BUTTS," and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by

W. R. WATSON, General Agent;
T. DesBRISAY and M. W. SKINNER, Charlottetown, and by druggists generally. m28—6i
