BOOTS AND SHOES,

While they were thus speaking, cksley's loud and repeated ocks had at length disturbed the chorite and his guest. "By my ads," said the hermit, stopping rt in a grand flourish, "here me more benighted guests, I ald not for my cowl that they and us in this goodly exercise. I men have their enemies, good r Sluggard; and there be those alignant enough to construe the spitable refreshment which I we been offering to you, a weary weller, for the matter of three ert hours, into sheer drunken ss and debauchery, vices alike ien to my profession and my dis-

"Base calumniators!" replied the ight; "I would I had the chasing of them. Nevertheless, Holy erk, it is true that all have their emies: and there be those in this very land whom I would rather speak to through the bars of my

The Weekly Star. helmet than barefaced." "Get thine iron pot on thy head then, friend Sluggard, as quickly as thy nature will permit," said the hermit, "while I remove these pewter flagons, whose late contents run strangely in mine own pate; and to drown the clatter-for, in faith, I feel somewhat unsteadystrike into the tune which thou hearest me sing; it is no matter for the words-I scarce know them

myself." So saying, he struck up a thun-It was after three hours' good der cover of which he removed the walking that the servants of Cedric, apparatus of their banquet; while with their mysterious guide, arrived the knight, laughing heartily, and To Delinquents .- All accounts at a small opening in the forest, in arming himself all the while, assiststanding for over six months will be the centre of which grew an oak ed his host with his voice from placed in Attorneys hand for collection. tree of enormous magnitude, whose time to time as his mirth permit.

twisted branches grew in every direction. Beneath this tree four "What devil's matins are you afor five yeomen lay stretched on ter at this hour?" said a voice from the ground, while another, acting without.

as sentinel, walked to and fro in the "Heaven forgive you, Sir Traveller!" said the hermit, whose Upon hearing the sound of feet own noise and perhaps his nocturapproaching, the watch instantly nal potations, prevented from regave the alarm, and the sleepers as cognizing accents which were tol-

bows. Six arrows placed on the string were pointed towards the quarter from which the travellers de were approaceing, when the guide, being recognized, was welcomed with every token of attachment and from respect, and all signs and fears of a rough reception at once subsided. her "Where is the miller?" was him "He is on the road towards Re- kno

"With six stout men, and good th hopes of booty, if it please Saint "Most devoutly spoken," replied tid "Walked up towards Waltingstreet, to watch for the Prior of the

"With how many men?" asked mit

"That is well thought on, also," said Locksley; and where is the K "Thither will I go," said Locksley. "Disperse and seek your to companions. Collect what force st you can, for there's game afoot that ar must be hunted hard, and will turn t break. And stay," he added "I aid have forgotten what is most necessary of the whole. Two of you take the road towards Torquilstone, m the castle of Front-de-Bouf. A set | be of gallants, who have been masquerading in such guise as our ta own, are carrying a band of prisoners thither. Watch them closely. re for even if they reach the castle "a before we collect our force, our honor is concerned to punish them

comrades, the fleetest of foot, to d bring the news of the yeomen g thereabout." They promised implicit obedience, and departed with alacrity t on their different errands. In the meanwhile, their leader and his two companions, who now looked fa upon him with great respect, as well as some fear, pursued their to way to the chapel of Copman-

and we will find means to do so.

Keep a close watch on them there-

fore; and despatch one of your I

hurst. When they had reached the little moonlight glade, having in front the reverend, though rninous chapel, and the rude hermitage, so well suited to ascetic devotion, Wamba whispered to Gurth, "If this be the habitation of a thief, it makes good LEMONT'S VARIETY STORD. the old proverb. The nearer the church the farther from God. And by my cockscomb," he added, "I think it even so. Hearken but to the black sanctus which they are singing in the hermitage!"

In fact the anchorite and his appointed agents for the above extent of their very powerful "Now, that is not ill sung," said Wamba, who had thrown in a few

of his own flourishes to help out the chorus. But who in the saint's name, ever expected to have heard such a jolly chant come from out a hermit's cell at midnight!" "Marry, that should I," "said Gurth, "for the jolly Clerk of Cop manhurst is a known man, and TRUNKS AND VALISES. kills half the deer that are stolen in this walk. Men say that the keeper has complained to his official, and that he will be stripped
