

# THE WEEK IN NEWCASTLE

**Saw Sid Morrison**  
Bomb. J. A. Humphrey, of Moncton, writing to his mother, mentions having seen Sid Morrison, of Newcastle.

**Good Advice**  
When you are sure you are right go ahead and don't mind anyone who tells you are wrong. This applies when you are deciding about advertising.

**St. John Major Wounded**  
Word was received by General McLean at Valcartier that his son, Major C. Weldon McLean, was wounded on Sept. 26th, but the message did not say how serious.

**Thanksgiving Day Races**  
The Moncton Cornet Band are holding races there on Thanksgiving Day, the proceeds of which will go to the band. The races will be held on the exhibition speedway.

**Recruiting Officer for York**  
Mr. J. J. McCaffrey, of Fredericton, has been appointed Recruiting Officer for York county, in succession to Major F. P. Day who has joined the 86th Battalion at Aldershot. N. S. His appointment is a popular one.

**Hon. J. K. Fleming Ill**  
Hon. J. K. Fleming continues very ill at his home in Woodstock, N. B., with no improvement. His condition is causing his friends much anxiety. A nurse is in constant attendance and only relatives are permitted to see him.

**Studying Aviation**  
Lieut. Ed. Mooney, 28th Dragoons who went to England with the 6th Mounted Rifles is now taking a course in aviation and expects to join the flying service. He is well known throughout New Brunswick on account of his connection with St. John and other hockey teams.

**Died of Typhoid Fever**  
Dr. W. B. Cameron, who just graduated a few months ago, and who has been practising in Doxches-ter, died in the Moncton hospital Friday evening, having contracted typhoid fever. He was only 27 years of age, and his is the fifth death resulting from this epidemic now in Dorchester.

**Will Do His Bit**  
Rev. J. H. Puddington, pastor of the Baptist Church at Paganich, N. S., has volunteered for active service. He is prepared to go as a member of an ambulance corps, and do his bit for the empire. Mr. Puddington's son was a member of the first contingent, and died at Salisbury Plain last winter.

**Quick Replies**  
A wanted adt. inserted in last issue of the Advocate was answered by five different applicants, from different parts of the county, before the end of the week. This is another proof that the Advocate's increased circulation is proving of great benefit to its advertisers. It will do the same for you.

**County S. S. Convention**  
The Northumberland County Sunday schools will meet in convention in the Baptist church at Doaktown on Monday and Tuesday, Oct. 11th and 12th. The first session will be held on the 11th at 7.30 p. m. and the three following sessions on 12th at 10 a. m., 3 p. m. and 7 p. m., closing so as to catch the train which leaves Doaktown at 9.10 p. m.

**Reported as Successor**  
It is reported that the late Evan Price of Campbellton, will be succeeded as superintendent of the Moncton-Campbellton Division of the Intercolonial Railway by Mr. W. R. Fitzmaurice of Newcastle, who had been assistant to the deceased superintendent for some years.

**Mora Repairs**  
Mr. Neil O'Brien is having further repairs made to his residence, Water Street.

**I. C. R. Restaurant**  
The I. C. R. restaurant at the station, under the efficient management of Mr. Thompson, is being well patronized by the travelling public and by a large number of the town's people who take advantage of a hot coffee and light lunch while waiting for the northbound Maritime.

**Happy Hour To-Night**  
A special feature will be shown at the popular movie house tonight, entitled "Human Hearts." It is a grand production which will appeal to every man, woman and child. Make up your mind to see it and bring the whole family. It is worth while. See advt. on page 8.

**Recruits for the 64th**  
The following left on Monday to join the 64th at Sussex. John Henderson, Newcastle; Joseph Hawkes, Chatham, a soldier at the Wireless; and Thomas Chamberlain of Chatham. Lewis B. Clarke of Upper Nelson has also enlisted for the 64th. Five or six more soldiers will leave in a few days. Capt. L. D. Jones is the recruiting officer.

**Tried to Enlist**  
It is reported that the son of a prominent clergyman recently ran away from an educational institution in the province and tried to enlist. A companion from the same school accompanied him. The two were rounded up and sent back to school after a search which included towns and cities many miles away.—Fredericton Mail.

**Made by German Prisoners**  
Mrs. Lillian Baker, of Moncton, has received from a friend a sample of some artist's work done by the interned German prisoners. In an ordinary electric light globe has been ingeniously made a miniature ship, showing a town in the background, and on several postcards received by Miss Baker, landscapes have been painted, showing much artistic skill.—Times.

**Mary Pickford at the Happy Hour Thursday**  
Ever since she has been appearing in their productions, a period of three years, the Famous Player's Film Co. has been requested by thousands of admirers of "Little Mary" Pickford to present that phenomenally popular star in a film version of "Fanchon the Cricket" the most famous of all the celebrated works of Georges Sand, the great French authoress who has written so many of the immortal novels of France. It is in compliance with these numerous requests that a five part photoplay of this world-renowned subject is now released on the Paramount Program with Mary Pickford as the central and dominating force of interest. This notable feature will be shown at the Happy Hour Thursday.

**Served Them Right**  
Glace Bay Gazette: Three Germans, who did not pay much attention to the fact that they were in Glace Bay—the most loyal spot in the British Empire—were airing their views at Senator's Corner last night in regard to the war, and sneering at the British flag. Pte. John Joe McNeil, of the 26th Battery happened along at this moment and heard some of their remarks. He asked them if they were pro-German and they insolently replied, "Yes we are; what are you going to do about it?" His only reply was to take off his great coat and let them know what he was going to do about it; and he did it in fine style. In a moment they were beating a hasty retreat up Main St. The car passed them going to New Aberleer, and they jumped on, leaving McNeil behind them.

The opening play on Thursday night will be what is justly termed, "The most remarkable play of our time," "Bought and Paid For" by Geo. H. Broadhurst. On Friday evening, "The Turning Point," another one of the season's biggest hits, will be the offering. Between the acts new and novel vaudeville acts in abundance will be introduced and these as well as the plays will be changed entirely at every performance.
