Spring Weather Hard On Baby

The Canadian spring weather—one day mild and bright; the next raw and blustery is extremely hard on the baby. Conditions are such that the mother cannot take the little one out for the fresh air so much to be desired. He is confined to the house which is so often over-heated and badly ventilated. He catches cold; his little stomach and bowels become disordered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or banishing colds, simple fevers, colic or any other of the many minor ailments of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ST. PATRICK'S CONCERT A GRAND SUCCESS

The annual St. Patrick's Day Concert presented in the Opera House March 16th and 17th was a grand success, and the hall on both nights was filled long before the first curtain went up. Hundreds were unable to gain admittance. The Production "Nothing but the Truth" was directed by Miss Alice Morris who is to be congratulated on the success of the play.

The male roles were all well handled. D. S. Creaghan in the lead, taking the part of Bob Bennett, Don was perfectly at home and brought the fine points of the comedy to the delight of the audience.

Mr. T. C. Creaghan made his first appearance and in the part of Mr. Van Dusen made a decided hit.

Mr. S. A. Demers as Bishop Doran was splendid and C. P. McCabe as Dick Donnelly was all that could be desired.

The young ladies in the cast all excelled themselves—Hedge Morris as Gwen, Mamie Condon as Mrs. Ralston, Lottie McWilliam as Ethel, D. Lawlor and Agnes as Mable and Sable also Martha our trim little maid all were exceptionally fine.

Between the Acts Pat Sullivan sang "The Dear Little Shamrock" and for an encore rendered "Somewhere in Ireland."

"feeling fine!"
—A few days ago though, I felt pretty miserable—kind-o' tired and drowsy, I must have been very much run down, until someone recommended—

Wash Day and Backache

WASH day is the least welcome day of the week in most homes, though sweeping day is not much better. Both days are most trying on the back.

The strain of washing, ironing and sweeping frequently deranges the kidneys. The system is poisoned and backaches, rheumatism, pains in the limbs result.

Kidney action must be aroused—the liver awakened to action and the bowels regulated by such treatment as Dr. Chase's Kidney-Liver Pills. This favorite prescription of the well-known Receipt Book author will not fail you in the hour of need.

One pill a dose, 25c a box at all dealers, or Edmansons, Bates & Co., Ltd., Toronto.

Dr. Chase's Kidney-Liver Pills

"Cascarets" for Constipation

Just think! A pleasant, harmless Cascaret works while you sleep and has your liver active, head clear, stomach sweet and bowels moving as regular as a clock by morning. No griping or inconvenience. 10, 25 or 50 cent boxes. Children love this candy cathartic too.

Cause of Early Old Age

The celebrated Dr. Michenerhoff, an authority on early old age, says that it is "caused by poison generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15¢ 30 drops of "Seigel's Syrup" after meals makes your digestion sound.
