Their Blood Is Up

Triumphant Meeting at Bauline and Pouch Cove

--Tremendous Victory in Store for Liberal Party--

Kent, Dwyer and Ryan Will Win Easily.

Every day, as the campaign advances, the sentiment of Liberalism is growing amongst the people, and the fact is becoming clearer and clearer that "another milestone to the united voice of an indignant populace, must abide and go, and that Sir Robert Bond, the Leader of the United Liberal Party, is going to win the day by a sweeping majority. Yesterday, the East End Liberal candidates, Kent, Dwyer and Ryan, paid a visit to

Pouch Cove and Bauline.

It was really a memorable day for the people of these historic settlements, and amply justified the expression that "another milestone has been successfully passed." The candidates first visited Bauline, and early in the afternoon held a meeting there. The staunch Liberals of loyal Bauline were delighted to see their representatives and gave them a red hot welcome. Kent, Dwyer and Ryan will show they appreciated such a reception when they are returned, and Sir Robert Bond takes control of the Colony's affairs after October 30th. The meeting at Bauline was a mass of enthusiasm and cheers loud and long were given for the Liberal Party. Leaving there, the candidates were accompanied to

Pouch Cove, where if is unnecessary to say what a glorious reception they got there.

Vote of patriotic Pouch Cove are true to the marrow. Conscientiously, Pouch Cove is four to one in favor of the Liberal Party, and it is a safe assertion to make that the biggest vote on record for Kent, Dwyer and Ryan will be polled this time. Last night a meeting was held in the S.U.P. Hall, which was chined with people. Standing room was not available because representatives from Torbay, Flatrock and other adjacent settlements had come to take part, thereby showing their loyalty to the Cause.

After the deafening applause that greeted the candidates, had subsided, Mr. William Ryan, an esteemed and respected resident of Pouch Cove, was moved to the chair and conducted

applause that shook the building. The meeting

which will long be remembered in Pouch Cove,

was brought to a close by the singing of the National Anthem, after which there was uninterrupted cheering and illuminations for the Liberal Party. On leaving for home, a great number of Pouch Cove people escorted the candidates for several miles. All along the homeward route, in fact from the time Pouch Cove was lost sight of, until the city was reached, bonfires burned and sky-rockets and guns belched forth from all sides, a hearty greeting to our future members, Kent, Dwyer and Ryan. Four years ago when the Tories were clamoring that the country wanted a change, a decided change over the island took place, but St. John's East not only

stood nobly and firm to the Liberal Flag, but increased its majority

and on Thursday night next when the ballots are counted, will have further enhanced its majority by a straight ticket vote for Kent, Dwyer and Ryan, because Bond can't lose!

Three cheers and a tiger for Pouch Cove and Bauline!

Sir Robert and Colleagues at Bishop's Falls

Special to Evening Telegram.

LEWISPORT, To-day. Sir Robert Bond and colleagues arrived here at one o'clock this morning from Bishop's Falls, where they boarded the train at 11 o'clock last night at the close of the public meeting. The Liberal candidates reported a great meeting at Bishop's Falls, the Chairman being Dr. Smith, who was proposed by Mr. Harris, Manager of the Pulp Mills. It was the first political meeting ever held at Bishop's Falls and was most enthusiastic and whole-souled. When they arrived at Reid's railway station at Bishop's Falls, half a dozen hoodlums had been gathered to shout the Morris-Bond slogan and this organized insult was repeated under cover of midnight darkness at Notre Dame Junction.

HURRAH FOR HR. GRACE.

Special to The Evening Telegram.

BAY ROBERTS, To-day.

The close of the third week of the campaign closes with sure and certain victory for the Liberal Union candidates. Gordon, Gosse and Mosdell have held very successful meetings all over the district, and have not been interrupted even in places that heretofore have been Tory strongholds and have always in the past refused to give Liberal candidates a hearing. Some of the best meetings in the campaign were held at Bay Roberts and Spinneys Bay, and there is not the slightest doubt that every section of Harbor Grace District will poll a big majority for the Liberal-Union team. The Tories can not point to one section where they have made a net gain. The losses have all been theirs; this end of the district is well organized for the Liberal-Union Party on Thursday. The committee rooms at Bay Roberts were crowded with two hundred and fifty men, and last night one hundred and twenty voters met in committee at the P. U. Hall at Coley's Point. All Union and non-union men have pledged to vote the straight ticket, and Pouch's friends will be badly left in their anticipations that there will be sufficient split votes to elect Archibald. The Tories have not yet held a meeting in any of the large towns of the district, and their own supporters admit they are afraid to appear on a public platform in Bay Roberts. Count on three Liberal-Union candidates for Harbor Grace District.

She said, "Neilson's Chocolates are far and away the most delicious I have tasted." The favor is simply delightful, rich yet delicate, and there is none of that waxiness about them which some Chocolates contain. And there is that taste on them that cannot be described, but can be appreciated. The high class from the inferior kind. Bring me these, please." What that lady said, many others are saying, and will be saying to the best of their advantage. We have just opened a new fresh stock, including a good variety—caramels, bon-bons, and Pouch's friends will be badly left in their anticipations that there will be sufficient split votes to elect Archibald. The Tories have not yet held a meeting in any of the large towns of the district, and their own supporters admit they are afraid to appear on a public platform in Bay Roberts. Count on three Liberal-Union candidates for Harbor Grace District.

MINARD'S LINIMENT CURE'S BURNS, ETC.

A Wonderful Demonstration

In the Good Old Town of Broad Cove.

THEY WILL VOTE FOR THE LIBERAL PARTY—BROAD COVE IN FULL SWING WITH THE OTHER PARTS OF THE DISTRICT OF ST. JOHN'S WEST FOR BOND AND SECURITY—THE HILLS ON BOTH SIDES OF THE HARBOR WILL WITH EACH OTHER IN DOING HONOR TO THE TRIED AND TRUE.

The Liberal candidates of St. John's West, Ellis, Cowan and Scott had a unique experience in Broad Cove yesterday, an experience that should send a thrill of happiness through their veins. In the morning the candidates with some committee men, to assist in the visitation of the settlement, drove by the King's Road to the Eastern end of the district. As soon as it was known that the candidates were in the settlement, flags were run up to the poles in great numbers, and rifle crack after rifle crack sent forth the news of their coming.

The eastern side was thoroughly canvassed and the different houses visited. The reception was most cheering, and no doubt is left in the minds of the visitors that St. Philips East is back again to support its old love—the Liberal Party.

The men in numbers assembled and volley after volley belched forth expressing the joy and determination of the people of Broad Cove to vote for the Liberal candidates.

What was met with in the East, was heartily taken up in the West side, and the good name of Squires was ably upheld by the valiant men of the West, and the ring of the rifles discharge must have sent a thrill of joy to the solid Liberal Party men on Bell Island. At 8 p.m. all approaches to the school house was blocked by the good people of Broad Cove, and when the candidates appeared ringing cheers and volleys of musketry filled the air with one continuous thunder. On entering

the school room Mr. Alexander Tucker was moved to the chair and after a speech bristling with Liberal sentiments, he called on Mr. W. J. Ellis to address the meeting. Messrs. Cowan and Scott following in the order named. To say that their speeches had the true ring about them is but to write of what is well known of these gentlemen, and to present and note the applause, cheering and hand-clapping when a point was scored against the Party of Fools, is scored positive of the success that will attend them in their fight for honest Government for their native land.

At the close of the meeting a vote of thanks was most heartily given with great applause to the chairman who performed his part so ably. Then cheers were called for the candidates for Sir R. Bond and the Liberal Party, and with the singing of the National Anthem, the finest and most enthusiastic political meeting ever held in Broad Cove was closed.

Of the return to town what need be written? Was ever such a political demonstration seen or given in that grand old Liberal District, St. John's West, Miles from the city the candidates were met by hundreds of the St. John's West voters, the horse taken from the carriage, ropes were attached and the candidates drawn to town to the Committee Rooms, by willing and loyal supporters. On the return the whole range of route was kept alive by the enthusiasm of the people; fireworks and rockets being in evidence throughout the route, and the report of the rifle and the blast of horns proved to the whole city, the fact, so generally known, that the days of New Cabbage and greed is at an end. The candidates in turn thanked the people for the great demonstration of loyalty given to them, as the representatives of the great Liberal cause in St. John's West, Ellis, Cowan and Scott can't lose.
