Sir Richard Cartwright's Public and Private Career.

Tribute to the Kind Heart and Able Head of the Minister of Trade

and Commerce.

[Lindsay Post.] Some time since the Globe spoke of Sir Richard as "the new Sir Richard." Whether this be a compliment or not depends upon the way it is taken. Some have thought it meant an altered disposition of the knight, but Sir Big Sales of Ontario Hay Made for Richard has not changed, hence the words had reference, not to any change in the man himself, but to the altered conditions of parties; to the move, in fact, from the left to the right of the speaker, a circumstance which in itself required a different tact and an application of different talents, just, in fact, as distinct a difference as that between the critic and the at night writer of a book. No one who ever The oil excitement at Wallacetown is knew Sir Richard knew him otherwise than the same-whole-souled, big- Crane's well every day and night. hearted, generous to a fault, his heart, like that of most such men, is never carried on his sleeve. He inherited money, or rather property, for the two are not always convertible, and so fell into a position wherein unpleasant conflict not infrequently arises between the landlord and the tenant, the mortgagee and the mortgagor, yet he was never known to do harm or even prejudice a soul to the extent of a urday afternoon. He was kicked on the his debt, and with the discharge would On a vote the resignation of Rev. offer kind words of encouragement, Mr. Kimball was accepted by the conplacing the obligee beyond obligation. gregation of the Baptist Church He has been a lender, and in that ca- Aylmer Sunday. Mr. Kimball's year is pacity proved the truth of the author's up about Dec. 1. words that "a lender oft loses him-words that "a lender oft loses him-self," and disproved the rest of the Company have decided to put in a once forgot, and so he never knew himself in this respect. His intimate business associates said he was imof a great big heart, and not the fault of judgment or carelessness. His enemies were wont to attack his loyalty. They did so, why? Because of his mental strength and power, and they were frightened of him. It is no discredit to others to say that Sir Clinton Collegiate Institute, is an-Richard is par excellence the greatest nounced to have taken place on Wed-

of the man who in season and out of season championed their rights. His loyalty was of the right kind. There was no claptrap about it. He never sought to gain votes by lipping loyalty from the platform. He got his fealty left along in the bouse. The stoye was sought to gain votes by lipping loyalty from the platform. He got his fealty from his mother's breast, and his fash ther from his mother, and so on along a long line of ancestors whose sacrifices for country compare with those of many a Huguenot, and, to them who know of this, does it not seem the filmsiest of hateful hypoerisy in men to attack him, men whose loyalty is now, as it was in '37, of that pseudo kind, every ready to display, but never ready to display, but never ready to sacrifice, except that sacrifice which means the loss of libbou Mountains, which have been found tained himself in the quiet consciouswho know him well are perhaps happier in this than he is himself. A great man is apt to be indifferent to the waves of public opinion. Macaulay, after his defeat, maintained his in-

mistaken for stoicism. He is the and turned things upside down generary opposite to mercurial, and, thereally. An effort was made to get into very opposite to mercurial, and, therefore, to say Sir Richard has changed, the safe, but they failed in this. is to say an impossible thing. It is true he was less intimate when in opposition, hence less known, but that less general than now. Devoted, heart of it was drawn out for the purchase of supplies, which were at once shipped to Edmonton. Northwest Territory, whence they were to be sent to the mines by a large pack train.

REPRESENTS THREE MONTHS' WORK.

The \$18,000 brought out had been in three men in three training of the purchase of supplies, which were at once shipped to Edmonton. Northwest Territory, whence they were to be sent to the mines by a large pack train.

The \$18,000 brought out had been in three men in three training training to the case for years, the finding him out, and the admiration for him is now the stronger from a sense that hitherto an injustice has been done him. The recent session, and the one before, worked wonders in the house, and many have been heard to say, "Why, we never knew the man." The profound respect he has always commanded still remains, but to it has been added a loyalty litstead of the speech of merchants—II has always commanded still remains, but to it has been added a loyalty little short of affection. During Mr. Laurier's absence Sir Richard led the Laurier's absence Sir Richard led the tations are \$9.50 to \$10.50 for No. 2,
