> Dr. Leonhardt, of Lincoln, Neb., the foremost physician of the Western States, has put forward a new theory as to the cause of disease. He says: "There can be no doubt, from the evidence at hand, that the Stomach is and has always been the first cause of 90 per cent of all the illness of mankind. The failure of the Stomach to digest the food properly results in fermentation and decomposition, and the poisons arising from the foul and rotting mass get into the blood and tissue and nerves and breed diseases of

every kind.' Dr. Leonhardt has found a remedy for Indigestion, Dyspepsia, Biliousness and Constipation. He has tried it in thousands of cases without a single failure. He calls it Anti-Pill. It is sold at 50 cents by all druggists, or the Wil-
