Amusing Mistake That Caused Half Hour Delay at an Evening Service.

An extraordinary event, but one with a very simple explanation, took John A. McLeod. place in connection with a well-known church of this city last evening, when the congregation sat in painful silence James Conn. for over half an hour while their worthy pastor was taking a two-mile Oil City, Pa., March 18.—Credit balances, worthy pastor was taking a two-fine \$1 39; certificates, no bid; shipments, 80.365 sprint into the suburbs and back, regardless of snow, ice and slush.

When 7 o'clock rang, the assembled congregation was surprised to notice that the usually prompt pastor's chair was still empty. When a few mo-ments had passed, the choir with Chicago, March 18.—Flaxseed—Northwest \$1 38½; southwest \$1 26; March, \$1 26; March the spiritual adviser would thus come quietly in under cover. But when the last notes died away, the

the last notes died away, the chair, upon which all eyes now gazed, was still empty. A silence, compounded of surprise, wonderment, foreboding and nervous expectancy settled down upon all those within the four walls of the sacred edifice. Eyes were kept watchfully alert, all ears were pricked. When one of the prominent workers When one of the prominent workers walked quietly up to the pulpit with a sheet of paper in his hand, all eyes were focused upon him and beamed with the light of hope. Doubtless he was going to conduct the services and deliver a sermon. But alas! he simply laid a sheet of approximate the pulpit is the services and deliver a sermon. TORONTO.

MAGNETIC WONDER

Most Extraordinary Strength

week. Miss Abbott, weighing only 98 pounds, possesses the most extraordinary powers, and by her wonderful strength is able to baffle the combined efforts of eight men to move her from position on the floor of the stage. Miss Abbott is a comely, prepossessing young lady, of about 20 summers, five feet in height, and was born in Milageville, Georgia, where her parents now reside. In manner she is ladylike, and when not being plied with quesing manner on nearly all subjects. In no way can she account for the power she possesses.

"I have been examined by physicians the world over," she told a reporter today, "and none of them are able to explain why it is that I possess this extraordinary strength. became aware of her powers while, as a child she was playing with her mother twelve years ago. One of Miss Abbott's tricks is to al-

low a man to lift her from the floor by putting his hands around her waist. Then she exerts her magnetic power, and it is impossible for the strongest man to move her. Then she places her hands against the wall, and eight men cannot move her a fraction of an inch. She also lifts a man from the floor and carries him around the room despite he efforts of four men to prevent her. All these tests were given on the stage of the London Vaudeville Theater this norning before a committee of newspaper men and two well-known local physicians. As the scribes and saw-bones tried to lift her from the floor, Miss Abbott smiled broadly. "It's wonderful, the power of a wo-

nan." she said. several years Miss Abbott traveled in Europe, and her power mysti-fied the physicians of the old land equally as much as the physicians of America. She will be at the London all
