Ordered to Hospital

FOR OPERATION FOR ACUTE IN-DIGESTION-DID NOT GO AND WAS CURED BY.

DR. CHASE'S **KIDNEY-LIVER PILLS**

A medicine that will save one from a surgical operation must be worth

The doctors seem to have made the common mistake of dosing the stomach when the real source of trouble was with the liver and kidneys. Anyway, Dr. Chase's Kidney and Liver Pills made a complete cure, and here is the record.

Mrs. F. O. Bacon, Baldwin's Mills, Que., writes. "I was very sick and the doctors said I must go to the hospital for a stagleal operation. I had acute indigestion and the liver and kidneys did not act. I did not want to undergo an operation, so I began the use of Dr. Chage's Kidney and Liver Pills and har, used them ever since. "I am feeling well now and doing my own work for a family of seven, I think there is no equal for acute indigestion and liver and kidney troubles such as I had, and they and nothing else made me well again. There is no medicine I like half so well, for this did wonders for me."

The real serious cases of indigestion imost always have their location in the bowels and can only be reached by making the liver and kidneys active. No medicine regulates the liver, kidneys and howels so nicely and so promptly as do Dr. Chase's Kidney and Liver Pills. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. Do not be satsfied with a substitute or you will be disappointed.
