Brilliant Attack Wins Important point on the Road to Monastir-Frightful Loss Caused the Enemy by Work of Artillery.

LONDON, Oct. 1 .- The Serbians on Saturday gained an important success at Kaimakcalan, says a Reuter dispatch from Saloniki. After violent artillery preparation, causing frightful havoc in the ranks of the Bulgars, the Serbian infantry executed a brilliant attack, capturing all the remaining points on this position.

The ground was covered with dead Bulgarians and the Bulgarian survivors fled panic-stricken. The Serbians captured a complete battery of mountain guns and recaptured a gun and three bomb-throwers abandoned during a recent Bulgarian counter-attack, besides taking a quantity of war material and machine guns.

The Serbian advance continues, the dispatch continues.
