Christopher Bramble. 783 Monroe street, Brooklyn, N. Y., Chief Quartermaster U. S. Navy, retired, is now an ardent champion of the merits of Tanlac.

"Ill stand by Tanlac to the very last," declared Mr. Bramble, "for it has helped me back on my feet, and I am feeling like a new man now. I had suffered from stomach trouble for two years, and was in an awful run-down condition. My appetite went back on me, and when I did sat a little something, I would suffer pain and misery for hours. My nerves were all out of fix. I would lie awake tossing and rolling, until almost day and I felt weak and tired all the time. I had no energy to do anything, and just felt any way

but right.

"Well, I just kept on losing weigher and getting worse, until I concluded to try Tanlac, and that was the wisest decision I ever made. It's the only medicine I ever saw that does at ouch of indigestion, and my appetite was never better, even when I was a school boy. My sleep is sound and restful, and I get up morning feeling refreshed and fine. My weight has increased, and I have been built up until I never felt better in my life. If anybody doubts this state ment just let them see me."

Tanlac is sold by all good druggists.
