WATFORD, SEPTEMBER 13, 1912.

LOCAL HAPPENINGS.

THE regular meeting of the Watford Women's Institute will be held at the home of Mrs. Peter Dodds on Wednesday afternoon, September 18th. Warwick members have kindly consented to meet with us on that date. There will be papers given on different subjects from both branches also music and recitations. Roll call will be answered by the latest songs. Lunch will be served at the close of the meeting. Members please remember the date. Meeting to commence at two-thirty.—SECRETARY.

MRS. JOHN KNAPP died in Sarnia on Saturday after a short illness, aged 42 years, 10 months and 2 days. The remains were brought here Saturday evening and the funeral took place on Monday afternoon from the residence of her sister, Miss Percival, to the Watford cemetery, the Rev. S. P. Irwin officiating. Deceased was a daughter of the late George Percival. She was married twice, her first husband being the late Joseph Leigh. Besides her husband she leaves one son, Clifford Leigh, Watford, one sister, Miss Sarah Percival, Watford, and one brother Mr. Fred Percival, Toronto. The pallbearers were P. J. Dodds, T. Dodds, E. A. Brown, J. D. Brown, C. Howden, T. Roche.

THE anniversary services of the Watford Methodist Church will be held on Sunday and Thursday, the 22nd and 26th inst., Rev. W. H. Graham, B.A., district chairman, of Strathroy, will conduct the Sabbath services at 11 a.m. and 7 p.m. Special collections will be taken at each service. The following Thursday evening a grand harvest home, fowl supper and high class musical and literary entertainment will also be given. In order to have room for the large numbers anticipated the committee have decided to have the supper, from 6 to 8 o'clock, served in the Lyceum, and the entertainment given in the church, at which an excellent programme will be rendered consisting of vocal and instrumental music, short addresses, readings and other pleasing and profitable items. The committee have secured the Forest Male Choir, of twenty-five trained voices, under the able leadership of Mr. McFarland, to assist on this programme. Those gentlemen are a host in themselves. Their solos, duets, trios, quartets, orchestral and choruses, are certainly a great musical feast. Ask Petrolia or Forest or any of the other towns or villages where they have given the entire program, what they think of this Male Choir. They delight and charm every audience they appear before—hear them for yourself. Neither time, money, energy or fowl will be spared in making this one of the best anniversaries in connection with this old time-honored church. Admission to both supper and entertainment, adults, 50c.; children, under 12 years, 25c. Waiters will not be expected to serve meals later than 8 o'clock.
