WONDERFUL RECOVERY OF HAIR
After 18, 25, and 26 years loss.

A few attestations, (selected from numberless others, received during the last 40 years) to the virtues of ROWLAND'S MACASSAR OIL; the originals of which may be seen at the Proprietors.

TO MESSRS. ROWLAND AND SON, 20, BATTON GARDEN, LONDON.
HURMUTH HOTEL, COVENT GARDEN
February 6, 1852

GENTLEMEN,
In announcing to you the following corroboration of the efficacy of your Macassar Oil, if by your making it public it will be of any service, I shall consider myself but returning in a very small degree the great obligation I feel I lie under to you, and shall be most happy during my stay in London to satisfy any Gentlemen who may feel interested in the truth of the following:- In the year 1776 I went to India, and shortly after my arrival there my hair fell off in considerable quantities, so that I soon became entirely bald. In which state I remained until my arrival last year in America, and at Boston was induced by reading one of your Advertisements to make trial of your Macassar Oil, though I confess with but little hope of success. After the use of one bottle, I found my luxuriant hair began to grow, and I continued the use of the Oil, much to my gratification, I have now the pleasure to inform you, without exaggeration or vanity, that I can boast of as fine a head of hair as any one need have.

I am, Gentlemen,
Your grateful Servant,
A. MACKENZIE

GENTLEMEN, I take the liberty of addressing my thanks to you for the great benefit I have received from your truly valuable Macassar Oil. Having had the misfortune to lose my hair at the age of five and twenty, in consequence of a fever, I was lately induced, at the instance of a friend, to make trial of your excellent product, and can only say that the effects were most surprising, for in a very short space of time, my head, which was before entirely bald, was soon covered with thick and curly hair. I am now fifty years of age, and could scarcely have expected that, after having worn a wig for five and twenty years of my life, I should now be enabled to throw it entirely aside. I think it but justice to yourselves and the public, to add my testimony to the virtues of your truly invaluable Oil, and you have my full permission to make this letter public, and to refer any one to me for proof of the merits of this invaluable discovery.

I am, Gentlemen,
Your obliged and obedient Servant,
W. C. FRIDAUX
Lincolnshire, March 21, 1812.

Extract of a Letter directed to Mr. Oldroyd, Merchant of London, from a friend residing at Naples, dated May 6, 1823.

I must turn your attention to the following:- Captain Kraschinsky of the 4th Regiment of Line, in the service of His Imperial Majesty the Emperor of Austria, aged 44 years, has been bald ever since the age of 18. He was recommended to try "Rowland's Macassar Oil," by a friend, a Gentleman who had already experienced its good effects. He bought some of me of the last quantity I received from England, and preserved in applying it - In less than two months his hair grew on the bald parts, and is now very thick. The Captain is highly pleased and has spread it in a letter to me, and he begs me to send you a fresh supply without loss of time.

GENTLEMEN - Having derived essential benefit from the use of your Macassar Oil, I am induced to send you the particulars, which you are at liberty to make known as you may think proper. Rather more than twelve months since I made trial of the Oil, though I confess with not much faith, as I had been bald eighteen years. It was near three months before any effect was perceptible when a slight down appeared, and the growth of five months had grown on the bald part full half an inch long. I then had the whole of my head regularly shaved once a week for a considerable period, constantly using the Oil, night and morning; the result is, that I have this day discarded my wig, my hair being quite restored, and as strong and great in quantity as when I was twenty years of age.

I am, Gentlemen,
Your obedient servant,
C. P. DRIFFIELD
32, Broad Street, Brighton, April 13, 1832.
