WEEKLY MONITOR,

soarcely ask for those from headquariers;
Her own money she had simply given up
to the cause, leaying herself penniless.
But she was not friendless, situough her
own kindred did not approve of her doings.
She decided, therefore, to ask her brother,
the one who was the fondest of her, for a
sum of money sufficient to tide her over
this crisis; and, at the same time, she
would write to him for particulars of the
present attitude of Julian Gray's people
towards him.

Weeks glided on, in a sad, monotonous
routine of sick nursing; and it seemed to
Katherine Villiers as though her life had
begun to end in that dark, sordid room in
Mulcaster's Rents. At first it did not ap
pear probable that Julian Gray would ever
recover; but good nursing, combined with
an originally tough constitution, pulsed him
through.

During this period she was of course
thrown very much into the company of
'Melia; and, without wishing or question
ing on her part, heard all the girl's pitiful,
miserable story. How "who ald been a overy

business knowledge and sagacity, and at her husband's death does not find it necessary to call in a stranger to act as administrator, who, like a leech, sucks the life blood from the estate—the children—and finally, with the aid of lawyers and court fees, perhaps leaves the wife and children in absolute want. No, her knowledge of business principles enables her to administer her own affairs. The boy who is permitted to earn his spending money, and more to see the wife and children in absolute want. No, her knowledge of business principles enables her to administer her own affairs. The boy who is permitted to earn his spending money, and and taught to keep his little accounts and compare receipts and expenditures, will the earlier learn the value of money and compare receipts and expenditures, will the earlier learn the value of money and sply his wits to live within his income.

Supplying the content of the close of a warm evening devoted to solos from the old masters.

"You do not pretend to misunderstand end, Miss Naggus?" he said appealingly, and more forward in his chair till he sat on the extreme edge. "Why, Mr. Bellamus," she replied, "I—I am not exactly sure that—that I "—I am not exactly sur

the of life. The girl who has her allowance and is taught to make accounts, will appreciate the value of a dollar and use discretion in its expenditure. A young lady once told her lover when he proposed, that although she loved him she would not marry him until he had ten thousand dollars. He was somewhat discouraged, butwent to work to obtain the money and the girl. About ten weeks later she inquired how he was succeeding. He replied: "Very well; I have saved seventeen dollars." "Well," replied the lady, "I expect that will be sufficient; we may as well get married." Did this lady know the value of a dollar? We hear so much in this day about practical education. But practical education is that which practically fits boys and girls for the active duties of life, and any education which falls short of this is neither.

Set of my heart, he supreme moment of my life has come! On your decision now rests all my hope of earthly happiness—all my dread of earthly missery. The time has come when I can bear the suspense no longer. Bewildered by your glorious beauty, intoxicated by the magic of your smile and the music of your voice, I have let precious time go to waste! Enchanters of my heart, this menent must decide my fate! My whole future, my destiny for weal or have a decided and he music of your voice, I have let precious time go to waste! Enchanters of my heart, this magic of your voice, I have let precious time go to waste! Enchanters of my heart, this menent must decide my fate! My whole future, my destiny for weal or weal or wee, is wrapped up in it! If the pure and honest love of a faithful heart, the earnest and self sacrificing devotion of a lifetime can move you, dearest, let ment. With a look of wild alarm he glanced at his watch, jumped to his feet and grabbed his hat.

We hear so much in this day about practical education is that which practically fits boys and girls for the active duties of life, and any education which falls
