

Barrett Specification Roofs

Made in Canada

Canadian Pacific Railway Hotel, Calgary, Alberta.

Architects: Edward & W. S. Maxwell, Montreal.
 General Contractors: P. Lyall & Sons Construction Co., Ltd., Montreal.
 Roofers: D. R. Foulds, Limited, Calgary.

How the 20-Year Guaranty Operates—

THE following illustrates the working of our new plan to guarantee Barrett Specification Roofs for twenty years:

When the question of roofing is reached in the specifications covering the building the following, or its equivalent, should be inserted in the building plans:

“This roof shall be laid according to The Barrett Specification dated May 1, 1916, and the roofing contractor shall upon completion of the job deliver to us the Barrett 20-Year Guaranty Bond, in accordance with Note 1 of such Specification.”

Competitive bids may then be asked for from a number of roofing contractors.

The concern to which the job is finally awarded promptly notifies us regarding the work, asks for our Inspection Service, and the 20-Year Bond.

Our inspectors supervise the job, see that the Specification is strictly

followed both as to methods and materials, and on its completion certify that the roof is O.K. in every respect.

On this certification the guaranty company issues a 20-Year Surety Bond which *exempts the owner from any maintenance or repair expense to the roof until 1937.*

The Guaranty Bond costs the owner and the roofing contractor nothing.

The service is free in the interest of good workmanship and the good repute of our materials.

How to Get the 20-Year Guaranty Bond

This new Guaranty Bond is issued on all Barrett Specification Roofs of fifty squares or more in all towns of 25,000 population and over, and in smaller centers where our Inspection service is available.

Our only requirements are that the roofing contractors shall be approved by us and that The Barrett Specification dated May 1, 1916, shall be strictly followed.

If you are interested we should be very glad to send you further details or copy of The Barrett 20-Year Specification, with diagrams, ready for insertion in your building plans.
