# PURE MILK!

T. McTIERNAN, Dairyman, Nepean Dairy Farm, OTTAWA.

The subscriber has much pleasure in stating that he has adopted the Barnhart System of milking, that is, drawing the milk from the cows through the Barnhart Milk Protector; and also uses the Barnhart Milk Bottle for delivering the same. The perfection of the System for cleanliness and purity of detail has been favorably commented upon and received most flattering testimonials from the highest medical authorities wherever it has been introduced. The system has been adopted in nearly every city and town in four States of the Union where it was introduced only two years ago; and in Canada—in Montreal by Messrs. Evans Bros. & Trenholme; in Kingston, Napanee, Arnprior and several other cities, and has met with most remarkable success. Orders for delivery in Ottawa may be left at C. NEVILLE'S, 118 Rideau St., and W. BAILEY'S Confectioner, &c., 330 Wellington St., or to the Proprietor.
