

\$201.00 in Prizes and 2 Silver Medals

WON ON BUTTER MADE FROM

GATHERED CREAM

SEPARATED BY

U. S. Cream Separators

"RICHMOND, QUEBEC, Sept. 28th, 1905.

I am pleased to advise you that my butter which was made from **gathered cream** at the Kirgsey Creamery, of which I am proprietor, was awarded **\$201.00 in Prizes** at the different Expositions of this season.

The first of these was the Sherbrooke Exposition, where I received the Eastern Townships Bank **Prize of \$75.00** for the best exhibition of creamery butter, and also the **Medal** for the **highest score** in points.

At the Toronto Exposition I received **Two First Prizes** and **One Second Prize**, and tied with another Quebec Creamery for the **Silver Cup** offered for the highest score in points, with the result that we were both awarded a **Silver Medal**, also a **Diploma**, for the **highest score** instead of the Cup.

At the Ottawa Exhibition I received **One First Prize** and **One Second Prize**.

I also took the **First Prize** at both the Richmond and Drummond County Fairs.

Last year I was **awarded \$112.00** in Prizes and a **Gold Medal**. I believe **this record cannot be equalled** by any other Creamery in this province or in the Dominion of Canada, and think this speaks well for the quality of butter made from gathered cream, **90 per cent. of which was separated by the farm sizes of United States Cream Separators**.

E. W. EVANS."

Our Free Catalogue tells why it will pay every farmer to skim his milk with a U. S. Separator. Write for a copy now.
