The College Building is one of the finest structures in the City of London. It is well heated and thoroughly ventilated and as the ceilings are thirty feet high it is, perhaps, the most healthy educational establishment in the Province.

Our staff of thoroughly qualified professors is nearly twice as large as that of any other Business College in Canada; and, what is of great importance to the student, all the Teachers on the staff are in regular attendance at the College.

In the l'enmanship Department we excel all similar Institutions, and employ three superior penmen. The ment has long been recognized, both in Canada and the United States, as the leading penman in the Dominion. The Principal of this Depart-

There can be no question as to where is the best place to obtain a comprehensive, thorough and practical Business Education, and intending students should send immediately for pamphlets, etc., containing full particulars respecting Terms, Course of Study, etc.
