MISCELLANEOUS.

In the cities of Japan there is a large class of women who make their living by furnishing amusement to amused patrons. They are well educated, tell stories, sing songs, play the guitar, and dance for the entertainment of those who send for them.

Druggists say that their sales of Hood's Sarsaparilla exceed those of all others. There is no substitute for Hood's.

James Whitcomb Riley says that much of the dialect poetry in the newspapers to which his name is attached was not written by him. The editors have a way of crediting him with any unidentified verse of that kind they come across.

RHEUMATISM CURED IN A DAY—South American Rheumatic Cure, for Rheumatism and Neuralgia, radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause, and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by all Druggists.

Zola says that the one thing of which he is really proud is that for twenty years he has stuck to one theory and carried his argument in support of that theory to a legitimate conclusion. This theory is that if marriages were contracted on a purely rational basis instead of a sentimental one the race would gradually become giants in intellect and brain.

WEAK AND NERVOUS

Describes the condition of thousands of people at this season. They have no appetite, cannot sleep, and complain of the prostrating effect of warmer weather. This condition may be remedied by Hood's Sarsaparilla, which creates an appetite and tones up all the organs. It gives good health by making the blood pure.

Hood's Pills are the best after-dinner pills, assist digestion, cure headache.

Cuba is a rich country. On this island there are 90,960 sugar and tobacco plantations and fruit and vegetable farms, the total value of which is \$225,000,000. Cuba's yearly exports amount to \$90,000,000, while the imports are only \$43,750,000. Of the latter \$16,250,000 is from the United States. Nearly \$50,000,000 goes annually to the support of Spain.

Pre-natal nutrition is derived from the mother, and after birth the babe feeds at the fount of the maternal breast. After weaning much of the true life of a child flows from the mother-heart. Society proceeds from the family of which the mother is the living bond. Christ, when being made perfect through the suffering of the cross, remembered his mother and bequeathed her as a legacy of love to his "beloved disciple"—John. When one gets too old or great to love his mother, he is too old and great for God to love. No unfilial spirit can claim the love of the All-Father.

"Beware the pine tree's withered branch,
Beware the awful avalanche!"
was the peasant's warning to the aspiring Alpine youth. Dangers greater than these lurk in the pathway of the young man or young woman of the present as they journey up the rugged sidehill of Time. But they may all be met and overcome by a judicious and timely use of Dr. Pierce's Golden Medical Discovery, the celebrated cure for colds, coughs, catarrh, and consumption. Better than hypophosphites or cod liver oil; unrivalled and unapproachable in all diseases arising from a scrofulous or enfeebled condition of the system. Send for a free book.
